By the time you've finished reading this book, you'll be a pro in nearly everything related to iPhone and iOS.

**America, the Owner's Manual Bob Graham 2016-07-15** In 2016, Americans fed up with the political process vented that frustration with their votes. Republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade. Democrats nearly selected a self-described socialist who ran on a populist platform against the influence of big money in politics. While it is not surprising that Americans would channel their frustrations into votes for contenders who pledge to end business as usual, the truth is that we don't have to pin our hopes for greater participation on any one candidate. All of us have a say—if we learn, master and practice the skills of effective citizenship. One of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday Americans can't fight City Hall. That perception is undoubtedly why a 2015 Pew Charitable Trusts survey found that 74 percent of those Americans surveyed believed that most elected officials didn't care what people like them thought. Graham and Hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles. They describe effective citizenship skills and provide tips from civic experts. Even more importantly, they offer numerous examples of everyday Americans who have used their skills to make democracy respond. The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy. By the end of the book, you will have new confidence that citizen participation is the lifeblood of America -- and will be ready to make governments work for you, not the other way around.

**Apple Watch Series: The Ultimate Guide For All Apple Watch Band Series Users (The User manual Like No Other) Phila Perry 2019-12-13** Are you new to Apple Watch series and band, or do you acquire a new Apple Watch Series 5 or willing to know more about what you can do with your Apple Watch Series 5? This is the guide for you, as you would get simplified instructions to the shortcuts, tips, and tricks you should know about the new Apple Watch Series 5, and workarounds that would turn you into a guru in no time. The Apple Watch Series 4 was announced in September 2018, but this product has been succeeded by the Apple Watch Series 5. Apple Watch Series 5 smartwatch sits alongside the Apple Watch Series 3, while Series 4, Series 2, Series 1, and the initial Apple Watch are discontinued. To make things simple, the Author Phila Perry has exclusive tips and task you can achieve with your new Apple Watch Series. He has also compared the Apple Watch Series 5 to Series 4, and Series 3 here, and that means you can see precisely what the variations and similarities are, whether you are looking to upgrade or take the smartwatch plunge.

**iPhone X: The Ultimate Guide to Revolutionizing Your iPhone X, XR, XS, and XS Max, Plus 101 Amazing Tricks & Tips (The User Manual like No Other (3rd Edition)) Phila Perry 2019-12-16** Are you new to iPhone X, XR, XS & XS Max, or are you confused about their differences and similarities, or do you plan to buy a new iPhone or to will to know more about what you can do with your iPhone mobile phone?
