Additionally, you will explore strategies to differentiate in the reading areas of emerging literacy skills, vocabulary, comprehension, and fluency as well as writing, speaking, listening, and content area reading. Every chapter in the book includes specific illuminating classroom examples, questions for reflecting on the reading, active engagement ideas for further exploration of the topic, and conclusions. Strategies to simplify documentation, including the use of the Literacy and Language Arts Learning Skills Check Sheet, Differentiated Choice Chart, and a Portfolio Record Sheet, provide ways to organize important student information.
