The Savvy Couple's Guide to Marrying After 35 Kay Marshall Strom 2009-09-20 People are waiting longer to get married. They see the distinct advantages of remaining footloose for a while, of having time to set up a solo household, of traveling and having adventures before they settle down, of getting established in a career. Kay Marshall Strom and Dan Kline have the wisdom of their own experience to offer. They found each other after first marriages that ended in death and divorce. Further help comes from their interviews with a wide range of couples who married for the first or second time, varying in age from their mid-thirties to their late-eighties. This book deals with the practical, emotional and spiritual elements of building a life together, taking up issues from what to do with all your stuff to parenting a blended family, from handling two careers to fighting fairly. In this "savvy couple's guide" you'll find wise counsel for living happily even after.

The Work of a Disciple: Living Like Jesus Don Cousins 2016-10-11 The Walking with God series was developed as the curriculum for small groups at Willow Creek Community Church in South Barrington, Illinois. Since its release in 1992, it has been used by churches and small groups to help raise up devoted disciples of Christ. Group members who work through the program will lay a solid foundation for a lifelong walk with God. While small groups may be formed for a variety of purposes, the goal of this curriculum is for groups to produce disciples—fully devoted followers of Christ—by studying God's Word in community. To this end, the goal of the study is to produce disciples who walk with God, have a personal relationship with Jesus, and live in step with the Holy Spirit. It is also to produce believers who live the Word in all areas of life and contribute to the work that God is doing in the local church. Ultimately, the goal is to develop believers who impact the world and are prepared and eager to spread the good news of Christ to others. This material will help develop these attributes in group members. Each lesson includes group Bible study and discussion questions in addition to devotions, reflections, and personal study for use by individuals between the group sessions.

Amazingly Single Tamara L. Smith 2011-05-07 This book provides information for single women on living saved, single, sanctified, satisfied lives all while waiting patiently on God to allow them to be found by their husband. The Bible is clear in Proverbs 18:22; the man is supposed to find his wife. The Bible does not say women should propose marriage so they can live happily ever after. We have to follow the entire Word of God not just the parts of the Bible that fit our lifestyles. Additionally the book explains in detail the fact that everyone will not get married because there were several single individuals in the Bible and this reality will remain true for some of us now. I realized there are so many single women wasting time trying to find a man when that is not what we are supposed to be doing. God allows us to be found by the man he has ordained for us to be married to. This is an important God given fact but the Women and Feminist Movements of the 1960s and 1970s have caused some of us to lose sight on what the word of God says about marriage. The movements helped us accomplish a lot as women and for that we are truly thankful but we cannot discount God's word in the process of becoming the woman we are supposed to be. We can remain strong, pursue job opportunities and still be saved by God's grace. Back cover text: Ladies, the Bible is clear in Proverbs 18:22 "He that finds a wife; finds a good thing and finds favor from the Lord." It does not read she that finds a husband will live happily ever after; therefore women are not supposed to look for their husbands because God gave men the task of looking for us; not the other way around. *Amazingly Single* includes important information on living a single, saved, sanctified, satisfied life while patiently waiting on God. We cannot apply certain parts of the Bible to our lives; we have to follow the whole word of God.
