*Crocheting For Beginners Deirdre Engles 2021-07-29 Crochet is an easy craft to learn. You only need to know a few stitches to be able to begin making a wide variety of projects. While a stick with a hook and a pile of yarn might not seem like it has much potential, the possibilities are actually endless when you give crocheting a go. In this book, the author hares her knowledge and love of crochet with her readers. How to make the perfect Granny Square has covered as well as the popular Corner 2 Corner and Ripple patterns. She shares tips and tricks to getting the perfect edging, popular edging stitches, three methods for joining motifs. Each chapter has clear and concise instructions along with instructional images to help you learn and perfect your crochet skills. She also shares cute and challenging patterns for you to try to practice your new skills. If you are a beginner or an advanced beginner this is the book you need to take your crochet skills to the next level.*
