

## Hung Gay Sex

Right here, we have countless book Hung Gay Sex and collections to check out. We additionally allow variant types and plus type of the books to browse. The satisfactory book, fiction, history, novel, scientific research, as with ease as various additional sorts of books are readily affable here.

As this Hung Gay Sex, it ends going on physical one of the favored book Hung Gay Sex collections that we have. This is why you remain in the best website to look the unbelievable books to have.

*Body Aesthetics* Sherri Irvin 2016-09-06 The body is a rich object for aesthetic inquiry. We aesthetically assess both our own bodies and those of others, and our felt bodily experiences—as we eat, have sex, and engage in other everyday activities—have aesthetic qualities. The body, whether depicted or actively performing, features centrally in aesthetic experiences of visual art, theatre, dance and sports. Body aesthetics can be a source of delight for both the subject and the object of the gaze. But aesthetic consideration of bodies also raises acute ethical questions: the body is deeply intertwined with one's identity and sense of self, and aesthetic assessment of bodies can perpetuate oppression based on race, gender identity, sexual orientation, age, size, and disability. Artistic and media representations shape how we see and engage with bodies, with consequences both personal and political. This volume contains sixteen original essays by contributors in philosophy, sociology, dance, disability theory, critical race studies, feminist theory, medicine, and law. Contributors take on bodily beauty, sexual attractiveness, the role of images in power relations, the distinct aesthetics of disabled bodies, the construction of national identity, the creation of compassion through bodily presence, the role of bodily style in moral comportment, and the somatic aesthetics of racialized police violence.

*Batman and the Joker* Chris Richardson 2020-10-27 This cultural analysis of visual and narrative elements within Batman comics provides an important exploration of the ways readers and creators negotiate gender, identity, and sexuality in popular culture. Thematic chapters investigate how artists, writers, and fans engage with, challenge, and interpret gendered and sexual representations by focusing on one of the most popular and heated fictional rivalries ever inked: that of Batman and the Joker. The monograph provides critical insights into ways queer reading practices can open new forms of understanding that have generally remained implicit and unexplored in mainstream comics studies. This accessible and interdisciplinary approach to the Caped Crusader and the Clown Prince of Crime engages diverse fields of scholarship such as Comics Studies, Critical Theory, Cultural Studies, Gender Studies, Literature, Psychoanalysis, Media Studies, and Queer Theory.

*The Life and Music of Lou Reed* Jeremy Reed 2014-09-24 In *Waiting For The Man*, Jeremy Reed focuses on Lou Reed as rock's principal literary avatar, paying special attention to his controversial lyrics and prototypical garage sound. Lou Reed influenced generations of copyists that took note of his outlaw status, ambiguous sexual orientation characterised by his seventies relationship with the transvestite Rachel, his implacable mystique, cool and defiant attitude as the narrator of subcultures. Finally the book examines the transcendent, if reluctant calm, that Reed arrived at in later life. Taking in the sweep of Reed's career from Velvet Underground to the variants of forty years of resistant solo pioneering, *Waiting For The Man* accesses the man and his music, with the extraordinary perception and attention to detail.

### Intelligence Report 2005

*Peacock Revolution* Daniel Delis Hill 2018-04-05 The Peacock Revolution in menswear of the 1960s came as a profound shock to much of America. Men's long hair and vividly colored, sexualized clothes challenged long established traditions of masculine identity. Peacock Revolution is an in-depth study of how radical changes in men's clothing reflected, and contributed to, the changing ideas of American manhood initiated by a 'youthquake' of rebellious baby boomers coming of age in an era of social revolutions. Featuring a detailed examination of the diverse socio-cultural and socio-political movements of the era, the book examines how those dissents and advocacies influenced the youthquake generation's choices in dress and ideas of masculinity. Daniel Delis Hill provides a thorough chronicle of the

peacock fashions of the time, beginning with the mod looks of the British Invasion in the early 1960s, through the counterculture street styles and the mass-market trends they inspired, and concluding with the dress-for-success menswear revivals of the 1970s Me-Decade. *Anthropologica* 1998

*Hungochani, Second Edition* Marc Epprecht 2013-04-01 In the tapestry of global queer cultures Africa has long been neglected or stereotyped. In *Hungochani*, Marc Epprecht seeks to change these limited views by tracing Southern Africa's history and traditions of homosexuality, modern gay and lesbian identities, and the vibrant gay rights movement that has emerged since the 1980s. Epprecht explores the diverse ways African cultures traditionally explained same-sex sexuality and follows the emergence of new forms of gender identity and sexuality that evolved with the introduction of capitalism, colonial rule, and Christian education. Using oral testimony, memoirs, literature, criminal court records, and early government enquiries from the eighteenth century to the present, he traces the complex origins of homophobia. By bringing forth a wealth of evidence about once-hidden sexual behaviour, Epprecht contributes to the honest, open discussion that is urgently needed in the battle against HIV/AIDS. Homosexuality - or hungochani as it is known in Zimbabwe - has been denounced by many politicians and church leaders as an example of how Western decadence has corrupted African traditions. However, a bold, new gay rights movement has emerged in several of the countries of the region since the 1980s, offering an exciting new dimension in the broad struggle for human rights and democracy unfolding on the continent. In a new preface to this edition, Epprecht considers the recent advances of equality on the continent such as the legalization of same-sex marriage in South Africa, as well as discriminatory setbacks such as Uganda's anti-homosexuality legislation.

States of Desire Revisited Edmund White 2014-09-18 *States of Desire Revisited* looks back from the twenty-first century at a pivotal moment in the late 1970s: Gay Liberation was a new and flourishing movement of creative culture, political activism, and sexual freedom, just before the 1980s devastation of AIDS. Edmund White traveled America, recording impressions of gay individuals and communities that remain perceptive and captivating today. He noted politicians in D.C. working the system, in-fighting radicals in New York and San Francisco, butch guys in Houston and self-loathing but courteous gentlemen in Memphis, the "Fifties in Deep Freeze" in Kansas City, progressive thinkers with conservative style in Minneapolis and Portland, wealth and beauty in Los Angeles, and, in Santa Fe, a desert retreat for older gays and lesbians since the 1920s. White frames those past travels with a brief, bracing review of gay America since the 1970s ("now we were all supposed to settle down with a partner in the suburbs and adopt a Korean daughter"), and a reflection on how Internet culture has diminished unique gay places and scenes but brought isolated individuals into a global GLBTQ community.

*All of Me (Can You Take All of Me?)*

*Mea Culpa* Steven Bender 2015-01-09 "In *Mea Culpa*, Steven W. Bender examines how the United States' collective shame about its past has shaped the evolution of law and behavior. We regret slavery and segregationist Jim Crow laws: we craft our legislation in response to that regret. By examining policies and practices that affected the lives of groups that have been historically marginalized and oppressed, Bender is able to draw persuasive connections between shame and its eventual legal manifestations. Analyzing the United States' historical response to its own atrocities, Bender identifies and develops a definitive moral compass that guides us away from the policies and practices that lead to societal regret"--Dust jacket.

*Caught in the Breeze* Greg Gould 2010 *CAUGHT IN THE BREEZE* is a collection of ten creative essays by new and established writers that interrogate the role of flags in contemporary Australia. Entertaining, insightful and personal, these essays boldly explore the fascinating and often controversial connections between flags, identity and culture. Contributors include: Tony Burton, Stephen Hagan, Kathryn Hind, Karen Lethlean, Rachel Longhurst, Melissa Main, Edward Reilly, Dan Smith, Warwick Sprawson, Ben Wellings.

*Mapping LGBTQ Spaces and Places* Marianne Blidon 2022-07-11 This book addresses LGBTQ issues in relation to among others law and policy, mobility and migration, children and family, social well-being and identity, visible and invisible landscapes, teaching and instruction, parades, arts and cartography and mapping. A variety of research methods are used to explore identities, communities, networks and landscapes, all which can be used in subsequent research and classroom instruction and disciplinary and interdisciplinary levels. This extensive book stimulates future pioneering research ventures in rural and urban settings about existing and proposed LGBTQ policies, individual and group mapping, visible and

invisible spaces, and the construction of public and private spaces. Through the methodologies and rich bibliographies, this book provides a rich source for future comparative research of scholars working in social work, NGOs and public policy, and community networking and development.

*The Slanguage of Sex* Brigid McConville 1984

*Living my life as a life* Paul Herny Kofi Sarkodie-Mensah

*Blind Leap* Diane Anderson-Minshall 2009-10-01 The camera doesn't lie, but sometimes it captures a story worth killing for. When Jeff Conant, the new executive director of San Francisco's Frameline Film Festival, takes a header off the Golden Gate Bridge, he is considered just another statistic—None of the thousands who've leapt from the landmark to commit suicide. But Jeff was also a childhood friend of reporter Velvet Erickson, who refuses to accept the coroner's ruling. Although unconvinced, Yoshi Yakamota reluctantly agrees to investigate Jeff's death. Diving into the victim's life, the Blind Eye Detective Agency uncovers potential suspects, but no real indications of murder. What did happen on the Golden Gate Bridge that night? Did an independent filmmaker inadvertently capture the event on camera? When a Blind Eye team member is attacked, it becomes painfully clear that someone has a secret worth killing for—and with Yoshi dangerously close to exposing it, they may strike again.

*Why Gay Men Do What They Do* Aaron Jason Silver 2006-07-01 My reasons for writing this book are rather complex because I have seen no other books on the shelves that were comprehensive enough to interest the straight population as well. This book is as much for them as it is for gay people because I believe it provides important information for them to help them understand us better and why many gay men may behave the way they do. Gay culture to the straight culture as always seemed mysterious as if we were hiding something. Perhaps we have been, so I hope this book helps them understand better the gay culture and hopefully it may help them better understand how certain behaviors may have developed and a bit of a history lesson on how gay culture originally came to be. My greatest hope is that this book will cause the much need discussion about why many of us behave the way we do. My thoughts are that the high school girly behaviors are the manifestations of unhealed wound, that I refer to as ghost wounds, that are a direct result of the damage that has been done during the very critical school age years when many of us were trying to find out who were and develop some self esteem. Unfortunately for most gay men that I have spoken to had very lonely childhoods, where they felt isolated, picked on at school, and they most often felt like outsiders. I believe these experiences have done more damage to gay people than we have ever given credit to. As a result these ghost wounds have never been healed and follow them around for a lifetime unless addressed and will influence much of your behaviors and most importantly your ability to understand and really feel the beauty and deliciousness of true intimacy whether it be with friends or lifepartners. Frequent sexual encounters are not intimacy. It's devoid of intimacy and often leads to a deeper feeling of isolation, loneliness and depression. The last of what I want to say is good luck in your que

*Street Talk*

*The Young and The Hung* David Laurents 2016-12-06 Thirteen classic gay sex stories that will turn you on! These tales of lust are not for the faint-hearted: Be it an orgy with kinky twins, a blind date with a hot Puerto Rican, or a racy rendezvous with the most powerful men in the world - the hunks in these stories get to it without much ado. THE YOUNG AND THE HUNG features stories of classic gay erotica at their most titillating, available in digital format for the first time! Also check out our contemporary gay romance series "different boys" - only at Bastei Entertainment!

*Male Prostitution* Donald West J 2012-11-12 Here is the most comprehensive empirical study ever published about male prostitutes and their clients. Written by one of the most distinguished international scholars in psychiatry and criminal justice, this book provides a carefully designed presentation of in-depth interviews with several hundred London "rent boys." The interviews included a large sample of one-to-one conversations in a private room tape-recorded with the consent of the interviewees. Dr. West and his colleague, Mr. de Villiers, bring you squarely into the everyday lives of male prostitutes and cover little known details of their lives, such as: the drift into homelessness sexual orientation entry into prostitution sexual orientation threats of blackmail, violence, and murder by male prostitutes or their clients attitudes and intentions of the male prostitutes post-prostitution careers, legal and criminology issues personal fears, desires, and interests of male prostitutes Encyclopedic in scope and depth, *Male Prostitution* never strays from combining high-level research presented in a readily understandable and often entertaining

style and incisive insights and issues critical for both the informed layperson and researchers in human sexuality. Dr. West and his colleague provide is a source of unbiased, detailed information on the male sex industry and their clients which is unavailable in any other book published to date.

**Rainbow Rights Patricia Cain 2018-02-20** This book describes the substantive state of the law with regard to lesbian and gay rights. It begins with some background information to put the modern fight for lesbian and gay rights in its proper historical context, then categorizes lesbian and gay rights claims into three areas—individual rights in private contexts, individual rights in public contexts, and couple or family rights thought of as private but pushing into the public sphere—that add up to a single principle: the right to be human in a modern society. Arguing against the popular misconception that the Lesbian and Gay Rights Movement began with Stonewall in 1969, Patricia Cain shows that the first gay rights organization in the United States was formed in 1924 in Chicago. From the Mattachine Society in Los Angeles and the Daughters of Bilitis in San Francisco, to the formation of the Society for Individual Rights (SIR) in 1964, the book examines the ways that these early organizations, although different from today's gay rights groups, served as important contributions to the modern fight for lesbian and gay legal rights. The author looks at how the most important cases of the 1950s and 1960s—the political battles over keeping gay and lesbian bars open and the fight by government employees to keep their jobs during the governmental purge of suspected homosexuals along with suspected communists during the McCarthy era—have helped to shape the state of the law today. By exploring the background, key cases, and important issues yet to be resolved, Rainbow Rights translates the legal claims and arguments into accessible language and concepts which will be of interest not only to lawyers and law students, but also to persons not trained in the law.

**Secrets of a Gay Marine Porn Star Rich Merritt 2017-05-31** YES, IT ALL REALLY HAPPENED JUST LIKE THIS... Here's the story of Rich Merritt—the good son, teacher's pet, Southern gentleman, model Christian student at Bob Jones University, Marine officer, and the not-so-anonymous poster boy for a New York Times Magazine article on gays in the military—whose complicated sexual past caused an international scandal when The Advocate "outed" him as "The Marine Who Did Gay Porn," putting his life in a tailspin. It's the compelling, poignant story of how a boy who never listened to pop music, never cursed, and didn't have his first drink until he was eighteen exploded into a life of drugs, alcohol, promiscuity, prostitution, and pornography. And above all, it's a triumphant story of self-forgiveness and identity, of a man who refused to allow himself to be defined by the standards of anyone else—gay or straight. Along the way, Rich Merritt writes with humor, compassion, insight and naked truth about: • What it's really like growing up behind the "Fortress of Fundamentalism" and how he ultimately came to despise their views • The harsh realities of military life under the "Don't ask, don't tell" Clinton policy • A real insider's experience of working in the male porn industry—the good, the bad, and the extremely hot • Why he chose not to reveal his porn past to the New York Times journalist • What it felt like to be the most notorious marine in the world and what it took to come through the fire By turns harrowing and heartbreaking, angry and affirming, *Secrets of a Gay Marine Porn Star* is that rarest of memoirs—a fascinating slice of life that reads like the most absorbing fiction, but is all true.

**Presto! Penn Jillette 2017-06-06** Penn Jillette's New York Times bestselling account of his "extremely funny and somewhat profane journey to discovering a healthy lifestyle...that will motivate others to seek weight-loss solutions" (The Washington Post). More than three hundred and thirty pounds and saddled with a systolic blood pressure reading at dangerous heights, legendary magician Penn Jillette found himself at a crossroads. He needed a drastic lifestyle change if wanted to see his small children grow up. Enter Crazy Ray. A former NASA scientist and unconventional, passionate innovator, Ray Cronise changed Penn Jillette's life with his wild "potato diet." In *Presto*, Jillette takes us along on his journey from skepticism to the inspiring, life-changing momentum that transformed the magician's body and mind. He describes the process in hilarious detail, as he performs his Las Vegas show, takes meetings with Hollywood executives, hangs out with his celebrity friends and fellow eccentric performers, all while remaining a dedicated husband and father. Throughout, he weaves in his views on sex, religion, and pop culture, making his story a refreshing, genre-busting account. Outspoken, frank, and bitingly clever, *Presto* is an incisive, rollicking read. In the end, it is "undeniably inspiring" (Booklist).

**Only the Strong Survival the Madness Jame Goethe**

**The Advocate 2003-08-19** The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United

States.

The Boyfriend Keith Morrisette 2003 Chris faced up to the fact that he was gay young man in spite of all the stories he read where he didn't fit the profile-his family wasn't loaded, he didn't drive an incredible road machine, and he was neither effeminate nor the super-jock. He didn't hate himself, and while he didn't exactly bolt out of the closet, he wasn't in a state of painful denial either. So, what did he want? Chris wanted love but that's tough to find. But that didn't matter anyway, because everything he heard and saw told him all gay men wanted was sex-and that he knew how to find. Looking for it one night he met Jamie Levesque, and with stars in his eyes he had to change his mind... The way Chris saw it, once he had a boyfriend, everything was going to be different. Just like in the stories, life with Jamie was going to be sunshine and lollipops forever-right? Uh-huh. Right. Read about it in a story that's told by Chris in his own words and in his own special way.

Black & Gay is Beautiful Kofi Sarkodie-Mensah

'Don We Now Our Gay Apparel Shaun Cole 2000-09 Beginning with a look at the subcultural world of gay men in the early part of the 20th century, this work analyzes the trends in dress adopted by gay men as well as the challenge gay style has made to mainstream men's fashion.

"--and Then I Became Gay" Ritch C. Savin-Williams 1998 First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

Persuading People To Have Safer Sex Richard M. Perloff 2000-11 "This volume provides an engaging and comprehensive introduction to the psychology of AIDS preventive persuasion. Drawing on social science research, author Richard M. Perloff explains why people practice unsafe sex, suggests ways to use communication to promote safer sex attitudes, and discusses influences of AIDS prevention campaigns. As a resource for introducing students to the role that theory and research play in health communication and psychology, the volume is appropriate for use in communication, journalism, social psychology, and public health courses, and will be of value to scholars, researchers, and all who seek to understand the use of persuasion in changing behavior."--Jacket.

Young And Well Hung Teddy Pike 2022-01-02 Collin was an eighteen-year-old, down-on-his-luck adult actor in Hollywood, looking to pound his way into fame and riches. Noah was an ambitious guy with a landscaping company, looking for love. Until the two met and realized they both were what they'd been looking for all along. They are young, well-hung and ready to get down and dirty, California style. hardcore gay sex, erotica, erotic short story, short erotica story, erotica book, erotic fiction, hardcore erotica, explicit sex, m4m male for male, gay homoerotic, gay sex, lgbt, pride, gay men, gay pride, gay guy, queer, gay love, gay romance m/m, gay fiction

Postcolonial and Queer Theories John Charles Hawley 2001 Since the 1960s American and Western European gays have set the agenda for sexual liberation and defined its emergence. But homosexuality is a global phenomenon, and gay and lesbian cultures around the world do not always neatly fit Western paradigms. This book investigates the implied imposition of a heavily capitalistic, white, and generally male model on emerging nations and suggests alternative frameworks for describing sexuality. By combining postcolonial and queer theories, the contributors to this volume explore diverse manifestations of homosexuality in the emerging world and the equally diverse literary representations of gay and lesbian lifestyles in those countries.

Bots Andrew Leonard 1997 Describes small autonomous software programs designed to perform services on the Internet

How to Bottom Like a Porn Star. the Guide to Gay Anal Sex. Miller Woody 2014-02 How Do Gay Porn Stars Make Bottoming Look So Easy? Hung tops stick it in like a glute inject and the bottoms don't even flinch. What's their secret? And what can you learn from them so you can have ecstatic butt sex without any pain? Some of the answers will shock you. Learn porn star secrets to bottoming without pain and start making love with volcanic pleasure. Written by gay sex advice columnist Woody Miller and a team of urologists and colon-rectal specialists, this book combines porn industry secrets with innovative techniques from the latest gay male sex research. How We Got The Porn Industry's Secrets To Bottoming Without Pain. We sent a team of researchers to interview a truckload of gay male erotica industry folk-cameramen, scouts, producers, directors and performers. The result is a fascinating, behind-the-scenes, no-holds-barred look into the industry and the secrets they use to get performers to bottom without pain or messy scenes. The main sections: 1: What You Can Learn From Porn Star Bottoms. A fascinating view of bottoming in the porn industry-how gay erotica performers prepare for a shoot, how they can take huge tops without any pain (even if it's their first

time) and how they stay loose despite day-long shoots. If you ever had a question about how the porn industry works, this is the place to find answers—from how much money porn stars make to what percent are heterosexual (shocking!) to their favorite brand of douches. 2: Free Your Mind, Your Butt Will Follow. How To Bottom Like A Porn Star: The Ultimate Guide To Gay Sex is part porn expose, part how-to from the latest gay sex research. In this chapter, we'll look at how "Anticipatory pain" and a perceived loss of masculinity can put your butt in a headlock. We'll show you how to resolve the emotional blocks that stop you from trying or enjoying anal sex with other gay men. 3: Why It Feels Like You're Being Impaled By A Fence Post. From our urologist and colon-rectal experts who specialize in gay male sex: It isn't just your sphincter causing all that pain; it's your "S-curve" as well as involuntary puborectal contractions. Learn your anatomical structure so you can make the tips in this book work better. 4: How Porn Star Bottoms Relax Their Sphincters. Not all do it, or need to, but the gay men in the sex industry that do swear by it. Find out whether you should use their controversial method. 5: The Porn Star Method Of Eliminating Pain. Find out the shocking things gay male erotica stars do to eliminate pain. Some cannot be recommended, but others can and we've combined them with a technique that blends systematic desensitization, pattern breathing, progressive muscle relaxation and sexual imagery to completely eliminate pain and heighten pleasure. 6: How Porn Star Bottoms Handle The Ick Factor. Find out their secrets to getting your butt cleaner than a Brady Bunch rerun. 7: A Device That's Better Than A Douche Or An Enema. Enemas and douches are a bad idea (despite the porn industry's reliance on them). Find out why and what product doctors recommend that will get you as clean as a douche without any of the harmful side effects. 8: How To Bottom Without Pain For The First Time. Here you'll learn how to combine the best position with the best angle of entry. Missionary? Doggie-style? Straight in? Angled up? When it comes to gay sex, it matters. 9: A Guided Tour Of A Pain-Free Bottoming Session Between Adam And Steve. A beginner's real-time, step-by-step guide to bottoming-porn style!-- that will light you up like an all-night liquor store. Learn How To Bottom Like A Porn Star With The Ultimate Guide To Gay Sex!

Hungochani Marc Epprecht 2004 Challenging the stereotypes of African heterosexuality - from the precolonial era to the present.

Cultural Studies in Asia Söng-gon Kim 2004

Young, Gay & Proud! Sasha Alyson 1980

The Psychology of Sexual Orientation, Behavior, and Identity William J. Mitchell 1995 This comprehensive overview of research, issues, and theories relating to sexual orientation, behavior, and identity by experts in various disciplines is unique in providing both historical perspectives and a synthesis of the recent advances in understanding homosexuality and heterosexuality. Drawing from biological and psychological research, this major reference explores the major theories about orientation; summarizes recent developments in genetic and neuroanatomic research; considers the role of social institutions in shaping current beliefs; and discusses the social construction of gender, sexuality, and sexual identity. The handbook also describes sexual dysfunctions in non-clinical populations, clinical disorders, and important social issues. Experts address the continuing controversy over the feasibility of altering sexual orientation; practical concerns such as disability and illness; new developments in treating sexual and personal problems within heterosexual and homosexual populations; and perspectives about sexual deviations today. This handbook is designed for the use of educators, students, and researchers in the social and behavioral sciences.

Male Homosexuality in Literature

The Skeleton of a blackman Nathaniel Barnett

Incels in Cells Lance Edwards 2021-10-28 Unattractive, maladapted, these sissies' (usually evil) weaknesses make them easy meat for predatory women. Clandestine incarceration is swiftly succeeded by sexual subjugation of the most sadistic sorts. Fortunate Phillip earns a cosseted spot as The Predators' Pet when he falls to a pair of gorgeous vigilantes determined to stamp out misogynist terrorism. Huge Heather Hunter is such a notorious fetish model she is often plagued by stalkers - keeping her Underground Fan Club properly stocked. Similarly for Madam Peregrine, Seducing the New Recruit for filling those dollar-a-blow-job booths is by far the best part of running a bdsm brothel. Two entitled losers prepare a hideously equipped dungeon for their planned career of kidnapping, rape and femicide, only to become Impaled on Our Charged Petard. Less deserving surely, eternally friend-zoned Andy little suspects where it all might end when his foxy pot-dealing partner confesses to a choking fetish in Breathless Suspense. Likewise a besotted stripling trying to make amends for ruining his deliciously strict grade school disciplinarian is driven into Becoming Fluffy - and thus succumbing to a degraded destiny that shouldn't happen to the naughtiest doggy.

*Eroticism revels in riotous rebellion as the most drastic emasculations happen to those that most asked for them - one way or another.*
