Death & Dying, Life & Living Charles A. Corr 2018-01-01 Practical and inspiring, DEATH & DYING, LIFE & LIVING, 8th Edition helps students learn how to navigate encounters with death, dying, and bereavement. The authors integrate classical and contemporary material, present task-based approaches for individual and family coping, and include four chapters devoted to death-related issues faced by children, adolescents, young and middle-aged adults, and older adults. They also discuss a variety of cultural and religious perspectives that affect people's understanding and practices associated with such encounters. Practical guidelines for constructive communication encourage productive living in the face of death. You can use this book as a primary textbook for undergraduate and graduate courses in death, dying, and bereavement; as a supplementary text in related courses; or as a general resource. Important Notice: Media content referenced within the product description or product text may not be available in the ebook version.

The Blessing of Sorrow Ben Kamin 2018-07-10 Tackling one of life's greatest mysteries, Rabbi Ben Kamin examines the diverse ways we mourn the death of a loved one. Drawn from his forty-plus years of counseling the bereaved, Kamin uses parables and stories to provide thoughtful insights on how to encounter and endure grief. He further stresses the importance of not deferring the process of grieving at the risk of harming our physical, emotional, and spiritual health.

Merenstein & Gardner's Handbook of Neonatal Intensive Care E-Book Sandra Lee Gardner 2010-04-01 The leading resource for collaborative critical care for newborns, Merenstein & Gardner's Handbook of Neonatal Intensive Care, 7th Edition provides a multidisciplinary approach and a real-world perspective. It focuses on evidenced-based practice, with clinical directions in color for easy retrieval and review. Special features help you prioritize the steps in initial care, and provide a guide to sharing information with parents. With each chapter written jointly by both physicians and nurses, this book is comprehensive enough to suit the needs of the entire team in your neonatal intensive care unit. Unique! A multidisciplinary perspective is provided by an editorial team of two physicians and two

nurses, and each chapter is written and reviewed by a physician and nurse team, so information mirrors the real-world experience in a neonatal intensive care unit. Unique! Clinical content is in color, so you can quickly scan through chapters for information that directly affects patient care. Unique! Parent Teaching boxes highlight the relevant information to be shared with a patient's caregivers. Critical Findings boxes outline symptoms and diagnostic findings that require immediate attention, helping you prioritize assessment data and steps in initial care. Coverage in clinical chapters includes pathophysiology and etiology, prevention, data collection, treatment, complications, outcomes, prognosis, and parent education. Expanded Neonatal Surgery chapter covers all of the most common procedures in neonatal surgery. Follow-up of the Neonatal Intensive Care Unit Infant chapter is expanded to include coverage of outcomes management and discharge planning. Streamlined references are updated to include only the most current or classic sources.

STRAIGHT TALK ON MONEY Ken Dolan 1995-01-01 The noted financial advisors share their wisdom on money and money management, discussing five questions to ask a financial planner, six ways to cut credit card payments, and four types of insurance never to buy

More Straight Talk on Investing John J. Brennan 2021-04-23 A practical and pithy guide to investing to help everyday investors achieve their long-term goals The 21st century has been beset with three financial market shocks in its first 20 years, the bursting of the Tech Bubble in 2000-2002; the Global Financial Crisis of 2008-09; and 2020 COVID-19 crash. Given this backdrop, it is no wonder that investing can appear to be so daunting to individual investors. As Chairman and CEO of Vanguard, one of the largest and most respected investment management companies in the world, Jack Brennan has spent his career helping people invest their money. In the newly updated More Straight Talk on Investing, he shares with you the lessons he has learned over his over four decades at Vanguard from a variety of market participants—from Main Street investors and 401(k) plan holders to veteran portfolio managers at the helm of Vanguard funds and sophisticated investment professionals overseeing top endowments and foundations. This a comprehensive, but approachable book will help you develop the knowledge, confidence, and discipline to navigate the financial markets and attain investment success over the long term. While the financial planning and investing principles covered are timeless, a considerable amount has changed in the nearly 20 years since the first edition, including new products and services, lower costs, and ever-evolving regulation and legislation. An entire generation of investors has come of age over the past two decades and could benefit from understanding that sound and sensible investing is an effective way to achieve financial security. This book will assist you manage your “serious” money—the dollars that you set aside for long-term goals, such as retirement or the education of your children. The book also emphasizes the concept of thinking of yourself as a “financial entrepreneur”—managing your financial life like owner manages a business. In a straightforward, plain talk manner, the book demonstrates how to: Build a balanced, diversified portfolio that meets your needs and goals Evaluate mutual funds and ETFs with a discerning eye Adhere to a long-term, disciplined approach to investing Control your emotions and tune out the incessant “noise” in the media Understand the risks and rewards of financial markets Develop a prudent plan and investment policy statement to guide your path forward Avoid the pitfalls and mistakes that can derail your investment program With wit and wisdom, Brennan relays anecdotes and observations that demonstrate the enduring investment precepts that will serve as a guide to novice investors and as a practical refresher for seasoned investors. He has also added three new chapters focusing on evaluating advice options, garnering lessons from endowments, and dealing with the challenges of a low interest rate environment.

In Case of Death: Straight Talk on Washington Wrongful Death

Straight Talk about South Carolina Divorce Law ~~Law~~ Robert N. Rosen 2007-11-19 Straight Talk about South Carolina Divorce Law is a clear and detailed guide to how divorce and family law cases are actually handled and resolved in South Carolina. It is a practical and realistic overview of how lawyers, experts and mediators operate, and how Family Court judges decide what happens in divorce, custody and matrimonial cases. Includes: Descriptions--written in layman's language--of the laws governing divorce; Key points to consider for anyone involved in a matrimonial dispute in South Carolina; Essential information for people getting divorced or those involved in custody, separation or marital litigation.

Straight Talk about Stress ~~St~~ Mike McEvoy 2004 Different faces of stress -- Traits of emergency responders -- Stress on the job -- Critical incident stress -- Stress at home -- Shift work and sleep -- Development of competence in emergency responders -- Personal stress management program.

Talking About Death Won't Kill You ~~Dr.~~ Kathy Kortés-Miller 2018-03-06 This practical handbook will equip readers with the tools to have meaningful conversations about death and dying. Death is a part of life. We used to understand this, and in the past, loved ones generally died at home with family around them. But in just a few generations, death has become a medical event, and we have lost the ability to make this last part of life more personal and meaningful. Today people want to regain control over health-care decisions for themselves and their loved ones. Talking About Death Won't Kill You is the essential handbook to help Canadians navigate personal and medical decisions for the best quality of life for the end of our lives. Noted palliative-care educator and researcher Kathy Kortés-Miller shows readers how to identify and reframe limiting beliefs about dying with humor and compassion. With robust resource lists, Kortés-Miller addresses advance care plans for ourselves and our loved ones how to have conversations about end-of-life wishes with loved ones how to talk to children about death how to build a compassionate workplace practical strategies to support our colleagues how to talk to health care practitioners how to manage challenging family dynamics as someone is dying what is involved in medical assistance in dying (MAID) Far from morbid, these conversations are full of meaning and life—and the relief that comes from knowing what your loved ones want, and what you want for yourself.

Straight Talk for the Journey ~~By~~ Robert J. Day 2017-06-15 Straight Talk for the Journey offers concise, engaging and insightful principles on issues of leadership, family, culture and ministry.

Board Games: Straight Talk for New Directors and Good Governance ~~John~~ T. Montford 2016-06-13 Succeeding in today's corporate and not-for-profit boardrooms is tougher than ever before, with new and established board directors facing myriad new and rapidly globalizing governance challenges. Directors and aspiring board candidates need a survival guide to beat the odds and avoid crises—the best credentials and the best of intentions aren't enough. This book is that guide. • Supplies frank advice and straight talk for current board directors and future directors that warn of the various kinds of troubling developments that can arise in and outside the boardroom • Breaks down the core requirements, expectations, and commitments directors must make to protect shareholders based on the coauthors' deep and varied board and executive leadership experience • Provides a roadmap for anyone who wants to serve on a board or advisory board—be it for a company, institution, not-for-profit or government or community organization—or those who currently serve on boards but need guidance and advice • Explains why most boards aren't more diverse and what today's directors can and should do to rectify this issue

Straight Talk on Spiritual Power ~~Bill~~ Hull 2002-07-01 Every church wants to experience the fullness of God, but many feel discomfort and confusion when the question of gifts of the Holy Spirit is raised. What does it mean to move in the power of the Holy Spirit? Isn't the issue of gifts of the Spirit divisive in evangelical churches? Straight Talk on Spiritual Power begins with Bill Hull's own theological journey from being a student at a charismatic university to a cessationist to a pastor with a moderate position affirming the full ministry of the Holy Spirit in the church today. Using Jesus as the ultimate model, Hull searches the Scriptures and finds a consistent balance between the Word of God and the power of the

Spirit. He shares the gradual change in his own church as it grew to experience the gospel with power, the Holy Spirit, and deep conviction. Conscious of the fears and confusion often surrounding this topic, Hull carefully looks at topics such as speaking in tongues, baptism in the Holy Spirit, healing, prophecy and miracles, and offers thorough scriptural as well as practical instruction.

Where's My Mum Now? Brian Cranwell 2010-05 For a long time opinion has varied on the role of children when a loved parent, granny, relative or friend is dying/has died. There are those who exclude the child from knowledge of impending death and the funeral, arguing that it is all too distressing for a child, while others maintain that children want to be involved and can make decisions quite young. When my husband died we gave the grandchildren the choice. It was the youngest two who agreed straight away but Mary, 11, hesitated and then said " I don't want to go but if I don't I will never forgive myself." All three were glad to have gone and said their goodbyes. Brian not only believed that children are well able to be involved in the process of death, he was prepared to test it with a research project that involved not adults, but children who had had a parent die. This book records that research, its problems and results. I have known, and worked with, Brian for many years. His work is meticulous for he is dedicated to the theme, having been a clergyman and seen the many sides of dying and the way it is handled by families who, themselves, are often dealing with the unknown and their own fears of death and dying. This book is a must for all who have contact with children parents, teachers, those in social services and all who need reassurance on the resilience of children who, yes, have many ways of coping but what they all want from their grownups is honesty, openness, involvement and love. Ann Faulkner Retired Professor of Communication in Health Care

Straight Talk on Trade Dani Rodrik 2017-10-31 An honest discussion of free trade and how nations can sensibly chart a path forward in today's global economy Not so long ago the nation-state seemed to be on its deathbed, condemned to irrelevance by the forces of globalization and technology. Now it's back with a vengeance, propelled by a groundswell of populists around the world. In *Straight Talk on Trade*, Dani Rodrik, an early and outspoken critic of economic globalization taken too far, goes beyond the populist backlash and offers a more reasoned explanation for why our elites' and technocrats' obsession with hyper-globalization made it more difficult for nations to achieve legitimate economic and social objectives at home: economic prosperity, financial stability, and equity. Rodrik takes globalization's cheerleaders to task, not for emphasizing economics over other values, but for practicing bad economics and ignoring the discipline's own nuances that should have called for caution. He makes a case for a pluralist world economy where nation-states retain sufficient autonomy to fashion their own social contracts and develop economic strategies tailored to their needs. Rather than calling for closed borders or defending protectionists, Rodrik shows how we can restore a sensible balance between national and global governance. Ranging over the recent experiences of advanced countries, the eurozone, and developing nations, Rodrik charts a way forward with new ideas about how to reconcile today's inequitable economic and technological trends with liberal democracy and social inclusion. Deftly navigating the tensions among globalization, national sovereignty, and democracy, *Straight Talk on Trade* presents an indispensable commentary on today's world economy and its dilemmas, and offers a visionary framework at a critical time when we need it most.

Straight Talk about Terrorism George W. Beahm 2004 After the September 11th terrorist attacks and anthrax scare of 2001, the need to prepare for the possibility of terrorist attacks using nuclear, biological, chemical, or radiological weapons has become increasingly apparent. Written in plain language by a former Army NBC officer, this book dispels several media-propagated myths and tells the real story about what people can and cannot do to protect themselves and their families. Beahm provides handy checklists of household or other useful items, safety procedures, action plans, and emergency planning guides. Each section contains frequently asked questions to provide readers with the essential information they need to prepare their homes, offices, and communities, such as what to look for and where to buy protective equipment; how to find shelter at a designated shelter-in-place; how to construct a safe room and what to stock; and what to do when it's time to evacuate their homes. This book will simultaneously reassure citizens alarmed by the terrorist threat and give them concrete

steps to take to feel safer at home and at work.

Steven Petrow's Complete Gay & Lesbian Manners Steven Petrow 2011-06-01 A big book of manners for the more than 15 million lesbian, gay, bisexual, and transgender people in the United States and Canada and the people who love them, work with them, and live with them. Written by Steven Petrow, the go-to authority on the subject—he's the same-sex wedding expert at The New York Times and a columnist for The Huffington Post, Yahoo's Shine, GayWeddings.com, and the "Q" Syndicate (with distribution to more than 100 LGBT newspapers and websites)—this is the definitive book of LGBT etiquette. Encyclopedic in its approach, filled with practical wisdom, lively wit, and much insight, Steven Petrow's Complete Gay & Lesbian Manners covers everything: from coming out to being out in the workplace; from dealing with the joy and complexity of same-sex weddings and commitment ceremonies (including how to propose and write meaningful vows) to handling the legal paperwork every couple needs. There's a chapter on sex etiquette, and another on the challenges and opportunities of raising a family, plus sections on travel, bullying, entertaining, meeting new friends, introducing your partner to your family, a primer on gay pride, and so much more. Throughout there are hundreds of questions—some posed by LGBT folk, and others by straight people: What do the mothers of two brides wear to a lesbian wedding? What do you say to an anti-gay joke? How do you answer "Who's the father?" when there are two mothers? Manners, yes, but with a twist. **In recognition of Quality, Excellence, and Design, this ebook has been granted a QED seal of approval from Digital Book World.**

Retirement Straight Talk Donald R. Draayer 2003-06-18 Adjusting or planning for retirement is made easier for educators with this handbook that highlights retirement issues and concerns and helps the reader through the choices, challenges, and new commitments. Personal accounts by other administrators, teachers, and support staff are incorporated throughout.

Straight Talk about Crime Stanton E. Samenow 2002-10-01 Is there a genetic predisposition to crime? Should mental illness be taken into account? Do family and social environments have a role? Do people become abusers because they have been abused? How can people who do terrible things consider themselves good people? What should someone involved in a relationship with a criminal know? Stanton Samenow, co-author of the widely respected three-volume study of The Criminal Personality, has collected the questions posed by audiences during his speaking engagements of the past twenty-eight years about causes, characteristics, and treatments of antisocial behavior. Now he draws on his research and clinical experience with hundreds of men, women, and children to offer no-frills answers that embody his informed perspectives on some of the toughest policy issues facing individuals, institutions, and governments today. A Jason Aronson Book

Federal Taxation of Wealth Transfers Stephanie J. Willbanks 2015-11-12 With an emphasis on tax planning, Federal Taxation of Wealth Transfers: Cases and Problems integrates stimulating problems with statutes, regulations, and cases to create a highly teachable and student-friendly casebook. This casebook emphasizes problem solving, statutory construction, and policy-analysis skills, and is ideal for 2- or 3-credit courses in estate and gift taxation. The Fourth Edition has been updated to incorporate the 2012 American Taxpayer Relief Act provisions and the final portability regulations. It offers new case law, analyses and problems regarding private annuities, net gifts, and ascertainable standards. The text has been expanded to feature new cases, administrative rulings, and studies. Existing cases and text have been edited or deleted to highlight essential themes. The casebook is logically organized but its flexible organization accommodates reorganizing material to fit individual course structures, and could be used for a basic wealth transfer tax class or to complement either a wills and trust course or an estate planning course.

Straight Talk on Women's Health Janice Teal 1993 This guide provides many of the answers today's woman is looking for regarding health issues and empowers her to be a proactive health care consumer. Written to be constructive rather than combative, this practical book offers a wealth of resources and is well-researched but devoid of confusing medical jargon.

Straight Talk on Stuttering Lloyd M. Hulit 2004 This new and expanded second edition is written for

people who stutter and for those who interact with people who stutter, including caregivers, teachers, and speech-language pathologists. The text is presented in two parts. The first part includes basic information about the disorder and addresses common questions that people have about stuttering: What is stuttering? What causes it? How does it develop? Can it be prevented? This section also includes a new chapter entitled Living with Stuttering. The second part of the book discusses effective therapy approaches used with both children and adults who stutter. This part includes another new chapter, Evaluating People Who Stutter. The text is written in a very reader-friendly and practical manner. It represents a reasonably thorough review of what is known about stuttering and offers both line conclusions rather than theoretical speculations and research findings that arrived at these conclusions. While the text includes the technical language used by speech-language pathologists in reference to stuttering, great care has been taken to explain each term. In addition, the book includes a helpful glossary. This unique and exceptional book is written by a clinician who stutters and who is passionate about helping others learn about stuttering. He addresses the reader, not as a guru of truth but as a person who has gained some understanding about stuttering through both his professional and personal experiences with the disorder.

Grief After Suicide John R. Jordan 2011-01-19 A suicide leaves behind more victims than just the individual. And yet there are very few professional resources that provide the necessary background, research, and tools to effectively work with the survivors. This edited volume addresses the need for up-to-date, professionally oriented summary of the clinical and research literature on the impact of suicide bereavement on survivors.

Straight Talk to Men James C. Dobson 2014-08-27 God's job description for men! In this classic work on the biblical roles and responsibilities of a man, Dr. James Dobson shares timeless wisdom you can use as a husband and father. A deeper understanding of God's perspective on manhood will help you provide stability and leadership in your home—and ultimately enjoy these benefits of a family that pleases God: A God-given sense of your purpose in the home A clear understanding of masculinity in today's world A wife who feels supported and loved Children who know God and feel good about themselves A solid system of family finances Meaningful times of togetherness and mutual encouragement Straight Talk to Men is a clear-headed, trustworthy resource that belongs on every man's bookshelf. (This new edition is part of Dr. James Dobson's Building A Family Legacy initiative.)

Straight Talk on Biotechnology Benigno D. Peczon 2009-07 Modern biotechnology is a powerful tool that is poorly understood by many. Straight Talk on Biotechnology aims to provide in-depth understanding of the various facets of this technology, which is likely to have a tremendous impact on our lives.

Straight Talk Sally Berkovic 1999 Relates stories from the author's upbringing to reconcile the contradictions between the opportunities of modern life and the constrictions of Orthodox practice.

More Rip-roaring Reads for Reluctant Teen Readers Bette DeBruyne Ammon 1999 Introduces forty contemporary books aimed at readers in grades 5 through 12, giving information about the author, a plot summary, suggestions for introducing the book to students, and a section on additional activities.

Straight Talk About Gays in the Workplace, Third Edition Winfeld 2014-02-04 Find out how being more LGBT inclusive can increase your organization's productivity—and revenues! Workplace diversity can provide creative strength and greater productivity regardless of the organization. Straight Talk About Gays in the Workplace: Creating an Inclusive, Productive Environment for Everyone in Your Organization, Third Edition presents a frank discussion about all the relevant aspects of sexual orientation and gender identity in the workplace. The author reveals how to incorporate diversity in your organization to foster greater loyalty, greater understanding, and greater productivity. Straight Talk About Gays in the Workplace: Creating an Inclusive, Productive Environment for Everyone in Your Organization, Third Edition is the latest edition of the National Library Award-winning guide that explains terms, provides strategies for implementation of policies and programs, and gives you practical tools to educate and inform employees about a workplace environment inclusive of diversity. While previous editions concentrated on the diversity of sexual orientation, this edition has been expanded

and extensively updated to include the needs and issues of transgender people. Other updated information includes showing the advantages of creating an LGBT inclusive environment, discussing in depth about the financial rewards of marketing an organization as being open to the LGBT community and explaining the benefits of presenting these topics in public schools and higher education. Several appendices are included to provide additional resources divided into categories such as "workplace education," "transgender," "marketing," "family and the schools," "legal," and "business." The book also features a useful bibliography, an assessment tool to gauge sexual diversity in your organization, guide for transitioning transsexuals, and another appendix that presents research and recommendations as to how school campuses can make themselves more inclusive and less discriminatory. *Straight Talk About Gays in the Workplace: Creating an Inclusive, Productive Environment for Everyone in Your Organization, Third Edition* discusses: updated information on domestic partner benefits educating employees about sexual orientation and gender identity the latest information on non-discrimination policies effective employee networks and alliances sensitive issues that involve transgender people opportunities and benefits of marketing to the LGBT community internal and external outreach programs crucial tax and insurance information new information focused on LGBT youth and academia inclusive of sexual orientation and gender identity and much more! *Straight Talk About Gays in the Workplace: Creating an Inclusive, Productive Environment for Everyone in Your Organization, Third Edition* makes essential reading for human resource professionals; executives of every type of organization; LGBT employees involved with diversity efforts; affinity groups focused on orientation and/or gender identity; educators; students; and anyone interested in studying the role of sexual orientation or gender identification diversity in the workplace.

Eligible for Execution Thomas G. Walker 2008-08-01 This riveting and enlightening narrative unfolds on the night of August 16, 1996, with the brutal and senseless murder of Eric Nesbitt, a young man stationed at Langley Air Force Base, at the hands of 18-year-old Daryl Atkins. Over the course of more than a decade, Atkins's case has bounced between the lowest and the highest levels of the judicial system. Found guilty and then sentenced to death in 1998 for Nesbitt's murder, the Atkins case was then taken up in 2002 by the U.S. Supreme Court. The issue before the justices: given Daryl Atkins's mental retardation, would his execution constitute cruel and unusual punishment, in violation of the Eighth Amendment? A 6-3 vote said yes. Daryl Atkins's situation was far from being resolved though. Prosecutors claimed that Atkins failed to meet the statutory definition of mental retardation and reinstated procedures to carry out his death sentence. Back in circuit court, the jury returned its verdict: Daryl Atkins was not retarded. Atkins's attorneys promptly filed a notice of appeal, and the case continues today. Drawing on interviews with key participants; direct observation of the hearings and close examination of court documents, transcripts, and press accounts, Thomas G. Walker provides readers with a rare view of the entire judicial process. Never losing sight of the stakes in a death penalty case, he explains each step in Atkins's legal journey from the interactions of local law enforcement, to the decision-making process of the state prosecutor, to the Supreme Court's ruling, and beyond. Walker sheds light on how legal institutions and procedures work in real life—and how they are all interrelated—to help students better understand constitutional issues, the courts, and the criminal justice system. Throughout, Walker also addresses how disability, race, and other key demographic and social issues affect the case and society's views on the death penalty.

Straight Talk: No-Beating-About-The-Bush Straight Talk on Hushed-Up Matters. Practical Truths on What the Bible say about LIFE-PARTNER Choice, Happy MARRIAGE, SEXUAL ... Bonnie Kaye's Straight Talk Bonnie Kaye 2008-09-28 "Bonnie Kaye's Straight Talk" is a collection of the best of her monthly newsletters from 2001-2008. These are the newsletters that her support network members call their lifeline when unraveling the complexities of their marriages to their gay

husbands. In Kaye's own words, "This is the best survival guide for women who suspect or find out that their husbands are homosexual. These newsletters were written from my heart about my own life experiences as well as those of some of my support network members. I clearly explain how and why your husbands are gay, as well as provide good advice on how to handle those difficult situations such as rebuilding your sexual and self-esteem. After reading this book, you will understand how to make the only rational choice to survive emotionally after this happens to you. It will help you identify with the millions of other women in this situation who can identify and feel every raw emotion you are going through now, and understand the challenges you face in the years ahead of healing and starting over. Kaye, who has counseled over 35,000 women since 1984, is considered the national expert on Straight/Gay marriages by the media. She is a consultant and guest for the major talk shows and news shows throughout the country. Kaye has written four other books to address this topic, but she believes that this collection of her newsletters is, The best of my best! About the Author Bonnie Kaye is recognized as an international expert in the field. She acts as a consultant for major news networks and television shows including Oprah, Montel Williams and Tyra Banks. Kaye's other books include: "The Gay Husband Checklist for Women Who Wonder; Doomed Grooms: Gay Husbands of Straight Wives; ManReaders: A Woman's Guide to Dysfunctional Men; Straight Wives: Shattered Lives;" and "How I Made My Husband Gay: Myths About Straight Wives."

Straight Talk About Professional Ethics Kim Strom-Gottfried 2014-06 How does one make the right choices when faced with ethical dilemmas? Social service professionals use a unique set of principles to guide their decisions within a broad and complex array of situations. *Straight Talk about Professional Ethics, Second Edition* provides readers with the guidelines that will help them make decisions in a manner that is clinically and ethically effective. This book explains the seven core concepts that guide ethical practice in the helping professions: self-determination, informed consent, competence, confidentiality and privacy, attention to conflicts of interest, maintenance of professional boundaries, and professionalism and integrity. Developing a commitment to the ethics of a profession and an understanding of how those ethics apply to commonly occurring workplace situations is a major element of professional preparation.

Crooked Thinking or Straight Talk? Ken Binmore 2020-01-14 Why can't we think straight about the big issues that face our society? Why are we taken in by the phony arguments of populists and scammers? Where are the philosophers hiding when we need them to tell us what makes sense? They are hiding because they have nothing to say. The airy-fairy answers offered by writers of footnotes to Plato were wrong two thousand years ago, and they are still wrong now. All this time, we should have been listening to a different but equally venerable branch of matter-of-fact philosophy pioneered by the much maligned philosopher Epicurus. His ideas were suppressed in ancient times as heretical, but the development of the theory of games and decisions makes it timely for those of us who care about science to revive his style of thinking—not just about the world around us but about ourselves as well. The price of transferring our allegiance to Epicurus and his modern followers is that we can no longer enjoy the luxury of being told what we want to hear. It would be nice if we were really equipped with a hotline to a metaphysical world of transcendental ideals, but the truth is that we are just the flotsam behind on the beach when the evolutionary tide went out, and we have to get real about what will and will not work for our imperfect species before it is too late. This book is an attempt to point the way. It has no equations and very little jargon; nor does it pull any punches, either in explaining how game theory works or in exposing the follies of famous metaphysicians.

Straight Talk about Addiction, Treatment, Recovery, and Achieving a Better Quality of Life Jeff Drife X. Carroll Ph. D. 2020-11-09 In a straightforward and easy-to-understand manner, Dr. Carroll describes what a new patient likely will experience when entering a comprehensive inpatient or outpatient Substance Use Disorder treatment program and what services he ideally should receive. Dr. Carroll also provides his perspective on how addiction develops, what addiction treatment should entail, the causes of relapses, and his approach to helping his patients achieve a meaningful recovery and enhanced quality of life. His perspective

Straight Talk on Loneliness Joyce Meyer 2009-02-28 You Are Not Alone! Are you experiencing a loss in your life? A loss that has left you feeling alone, crippled, or in despair? Maybe it's the sudden death of a loved one, the breakup of a close relationship, or maybe the loneliness of feeling misunderstood. There are many reasons people feel lonely, but thank God we can overcome them through His Word! In this book, bestselling author Joyce Meyer will teach you how to conquer the feelings of loneliness and find renewed strength, hope, and joy through the Lord Jesus. She offers you practical and effective ways to triumph over loneliness and grief so you can live a happy, more fulfilled life. There may be times in life when you feel lonely, but just remember, you're never alone when God is standing by your side!
