Undaunted, he sold his possessions and hit the road with a backpack and \$700 for the adventure of a lifetime. Adam wanted to experience the freedoms of homeless travel. Over the course of 7 years, he learned how to get around and survive on the road. He hitchhiked across the United States, he joined the crew of a sailboat and explored the Bahamas with a seemingly cursed captain. He then wound up working under the table in Central America. And finally, he studied under both wilderness survival experts and a spiritualist guru in Montana. [What Jesus Learned from Women](#) James F. McGrath 2021-02-26 Dehumanization has led to serious misinterpretation of the Gospels. On the one hand, Christians have often made Jesus so much more than human that it seemed inappropriate to ask about the influence other human beings had on him, male or female. On the other hand, women have been treated as less than fully human, their names omitted from stories and their voices and influence on Jesus neglected. When we ask the question this book does, what Jesus learned from women, puzzling questions that have frustrated readers of the Gospels throughout history suddenly find solutions. Weaving cutting edge biblical scholarship together with an element of historical

fiction and a knack for writing for a general audience, James McGrath makes the stories of women in the New Testament come alive, and sheds fresh light on the figure of Jesus as well. This book is a must read for scholars, students, and anyone else interested in Jesus and/or in the role of ancient women in the context of their times.

Hoot 'N Gin Michael N. 2008-11-03 When Virginia and Michael begin recovery from alcoholism in Alcoholics Anonymous, they correspond several times a week. They view letter writing and their deepening relationship as a lifeline in the chaos of changing letters selected from over 2000 written during the next five years chronicle the raw material of their recovery. As their recovery becomes increasingly mired in conflict between the deception required to maintain their relationship and "rigorous honesty" required to attain lasting sobriety, Hoot and Gin (alter egos) spontaneously emerge in the writing. With the mobility of mental apparitions, these "kids" are traded back and forth by their adult counterparts, nurturing, modeling new behaviors, broaching sensitive subjects, and teaching the healing art of laughing at self. They help the adults move through stuck places and give stubborn resistance to change. For anyone contemplating recovery or living with an alcoholic, who is questioning how Twelve Steps can have any practical application to a situation as complicated as theirs, *Hoot 'n Gin* reveals how two skeptical people eventually find all twelve are gifts, not punishment. This trip through the Twelve Steps demonstrates how the act of letter writing can augment a recovery program by encouraging introspection, lending support, and measuring progress.

Ahad Ha'am Elusive Prophe~~Steven J Zipperstein~~ 2012-08-27 An incisive biography of the guiding intellectual presence - and chief internal critic - of Zionism, during the movement's formative years between the 1880s and the 1920s. Ahad Ha'am ('Or of the People') was the pen name of Asher Ginzberg (1856-1927), a Russian Jew whose life intersected nearly every important trend and current in contemporary Jewry. His influence extended to figures as varied as the scholar of mysticism Gershom Scholem, the Hebrew poet Hayyim Nahman Bialik, and the historian Simon Dubnow. Theodor Herzl may have been the political leader of the Zionist movement, but Ahad Ha'am exerted a rare, perhaps unequalled, authority within Jewish culture through his writings. Ahad Ha'am was a Hebrew essayist of extraordinary knowledge and skill, a public intellectual who spoke with refreshing (and also, according to many, exasperating) candour on every controversial issue of the day. He was the first Zionist to call attention to the issue of Palestinian Arabs. He was a critic of the use of aggression as a tool in advancing Jewish nationalism and a foe of clericalism in Jewish public life. His analysis of the prehistory of Israeli political culture was incisive and prescient. Steven J. Zipperstein offers all those interested in contemporary Jewry, in Zionism, and in the ambiguities of modern nationalism a wide-ranging, perceptive reassessment of Ahad Ha'am's life against the back-drop of his contentious political world. This influential figure comes to life in a penetrating and engaging examination of his relations with his father, with Herzl, and with his devotees and opponents alike. Zipperstein explores the tensions of a man continually torn between sublimation and self-revelation, between detachment and deep commitment to his people, between irony and lyricism, between the inspiration of his study and the excitement of the streets. As a Zionist intellectual, Ahad Ha'am rejected both xenophobia and assimilation, seeking for the Jews a usable past and a plausible future.

Finding Zsa Zsa Sam Staggs 2019-07-30 For decades, the Gabor dynasty was the epitome of glamour and fairy tale success. But as biographer, film historian, and Gabor family friend Sam Staggs reveals, behind the headlines is a true story more dramatic, fabulous, and surprising than their self-styled legend would have you believe . . . In 1945, after barely escaping Hitler's invasion of Hungary followed by "liberation" of the country by the Red Army, three members of the Gabor family—Jolie, her ex-husband Vilmos, and their daughter Magda—arrived in New York City. In Hollywood, their other daughters, Zsa Zsa and Eva, had worked feverishly throughout the war years to secure their rescue from the Nazis' plan to exterminate the Jews. Stepping off the boat, Jolie, the iron-willed matriarch, already had a golden future mapped out for her sharp-witted, cosmopolitan beauties. Over the next six decades, with twenty-three husbands between them (suave All About Eve star George Sanders would wed both Zsa Zsa and Magda), scores of lovers, and roller-coaster rides in film, television, theater, and business, the elegant yet gloriously bawdy, addictively watchable Gabors carved a niche in the entertainment industry that made them world-famous pop-culture icons. But beneath the artifice of Dior and diamonds was another side to the story that never revealed: the whole truth. This first verifiable history of the Gabors casts a startling new light on these extraordinary women. Finding Zsa Zsa reveals the tumultuous and often unforgiven battles between mother and daughter, sister and sister, wife and husband; Eva's "bearded" romance with Merv Griffin that allowed them both to seek same-sex lovers; Zsa Zsa's involuntary confinement in a mental hospital; her life-long struggle with bipolar disorder; and her last—unconsummated—marriage to the manipulating faux prince Frederic von Anhalt. Here too is the untold story of Zsa Zsa's daughter, Francesca Hilton, a gifted photographer who eschewed the Gabor lifestyle and paid a sad price for her independence. The story of family patriarch Vilmos Gabor, who returned to Hungary only to be trapped behind the Iron Curtain, reads like a Cold War spy thriller. Culled from new interviews with family, colleagues, and confidantes, and the unpublished memoirs of the author's friend Francesca Hilton, Finding Zsa Zsa finally introduces fans to the Gabor family they never knew, including many never-before-seen photos. It's a riveting, outrageously funny, bittersweet, and affectionately honest read of four women who were vulnerable, tough, charitable, endlessly fascinating, and always glamorous to a fault.
