In the Clutches of the Law Clarence Darrow 2013-05-31 This volume presents a selection of 500 letters by Clarence Darrow, the pre-eminent courtroom lawyer of the late nineteenth and early twentieth century. Randall Tietjen selected these letters from over 2,200 letters in archives around the country, as well as from one remarkable find—the kind of thing historians dream about: a cache of about 330 letters by Darrow hidden away in the basement of Darrow's granddaughter's house. This collection provides the first scholarly edition of Darrow's letters, expertly annotated and including a large amount of previously unknown material and hard-to-locate letters. Because Darrow was a gifted writer and led a fascinating life, the letters are a delight to read. This volume also presents a major introduction by the editor, along with a chronology of Darrow's life, and brief biographical sketches of the important individuals who appear in the letters.

Het leven van Apollonius van Tyana Philostratus 2014-01-08 Ze zijn bijna gelijktijdig geboren, Apollonius en Jezus, en ondanks alle verschillen vertonen hun levens opvallende overeenkomsten. In hun strijd tegen de christenen schoven de heidenen Apollonius naar voren als hún profeet, groter dan Jezus. Ook tegenwoordig zijn er nog groepen die Apollonius beschouwen als een belangrijke leraar. In de eerste eeuw trok filosoof Apollonius van Tyana door vele landen. Hij maakte indruk door zijn ascetische levenswijze en spoorde zijn toehoorders aan tot saamhorigheid en behulpzaamheid. Hij legde partijtwesten bij, verleende hulp, verrichtte wonderen en herstelde oude religieuze gebruiken. Philostratus biografie is nu voor het eerst in het Nederlands vertaald. Het leven van Apollonius is een bonte verzameling reisbeschrijvingen, verhalen over exotische dieren, de zeden van vreemde volken en gesprekken met koningen en keizers. Dat alles in een kader van literaire, mythologische en historische toespelingen. Mede daarom is zijn boek door de eeuwen heen veel gelezen.
