*Analog Photography* Bo Belvedere Christensen 2022-03-29 Photography on analog film has simply put received a recent renaissance. In our digital age, I guess a romantic veil surrounds the analog approach to photography. Even when shooting digital cameras, we do postprocessing to simulate the look of analog film. We talk about the specific and beloved look of certain films, and how their sensitivity and grain add a charm to the image. Delving deeper, a reason for the analog renaissance might be our growing desire to slow down; to immerse ourselves and sharpen our creative senses by restraining the means with which we photograph. Where the digital camera is soon so perfect that we as photographers can sometimes feel redundant, the analog camera requires our undivided presence. These cameras are subject to the same limitations as they were in the dawn of photography. You must visualize what you want to create beforehand, and you cannot rely on an lcd to feed you the result. Thus, in analog photography we are forced to slow down, plan, create the right circumstances, and capture the wanted picture at the decisive moment.

*Litteken* Sara Mesa 2018-05-01 Twintiger Sonia komt op een online literatuurforum in contact met een man die zichzelf Knut Hamsun noemt. Er ontwikkelt zich een intense correspondentie en een verhouding, waarin ze elkaar beurtelings aantrekken en afstoten. Knut plaatst Sonia op een voetstuk en wil van haar een ideale vrouw maken; Sonia wil wel zijn aandacht maar voelt zich ongemakkelijk bij zijn dwingende toon. Als Sonia trouwt houdt de internetverhouding met Knut stand. Ze vertelt hem over haar seksleven en haar saai geworden huwelijk. Het leidt tot de onvermijdelijke maar teleurstellende ontmoeting. Sonia heeft steeds gefantaseerd over heftige seks met Knut, maar hij blijkt fetisj-fantasieën te hebben en mijdt direct seksueel contact. Ondanks haar chronische obsessie voor Knut besluit ze hun verhouding te beëindigen. Haar verlangens zijn onvervulbaar gebleken. Wat overblijft is een litteken. Door de olopende spanning is het nauwelijks mogelijk

dit duistere en soms pijnlijke verhaal neer te leggen. Litteken is een subliem psychologisch portret van twee mensen die allebei teleurgesteld worden in hun verwachtingen.
