HOW TO PROSPER DURING THE COMING BAD YEARS

I decided that rather than write a new book which describes the same situation and tells you the same ways to prepare and profit, it would be easier to create an updated edition of a book that was right on the money 30 years ago, and is again, even more so. So this is appropriate for today (July 2007). I have eliminated two chapters that are no

Thinking About Emerging Adults and Violent Crime

crime occurring in emerging adulthood is slightly older than the peak age for property crime. Second, the magnitude or rate of involvement in violent crime is much less pronounced than that of property crime at all ages across the life course. Nonetheless, all criminal involvement, including involvement in violence, declines with age.
