4WD Driving Skills Vic Widman 2001 "This comprehensive and practical guide concentrates on the essential skills of four wheel driving for every type of off-road terrain as well as sealed and unsealed roads. It explains what makes a four wheel drive vehicle different, tells how to approach challenging situations and show what to do if things go wrong"--Page 2 of cover.

Structural Failure and Plasticity X.L. Zhao 2000-10-04 As mankind continues to push back the boundaries and begins to explore other worlds and the ocean depths, a thorough understanding of how structures

behave when subjected to extremes in temperature, pressure, and high loading rates will be essential. This symposium provided the perfect forum for presenting research into structures subjected to such extreme loads. There were a large number of papers presented under topics of impact, blast and shock loading, indicating a strong research interest in high rates of loading. Similarly new topics have been added to the traditional symposium list such as fire loading, earthquake loading, and fatigue and connection failures. It is clear now that fundamental knowledge of plastic deformation of structures to various extreme loads is coming of age. Each full paper was peer reviewed by at least two experts in the field.

The Seraphim Sequence (The Fifth Column #2) Nathan M. Farrugia 2017-06-28 Mind control: coming to a government near you. The Fifth Column 's latest technology, Project Seraphim, is almost ready. Once active, they can force anyone in the United States to feel and do anything, on command. And then the world. Can Damien, Jay and Sophia stop it in time? Or will they fall under its spell? What readers are saying:

"I COULDN ' T PUT IT DOWN. Nathan Farrugia is in a class by himself. You can ' t help but enjoy this adventure." "What an amazing series. Plenty of action, thrills, gut-wrenching pace, cool weapons/gadgets and well written story." "Can I give this book 10 stars? It kept me on the edge of my seat from the first page to the last!" "The Fifth Column series is a tour de force. This amazing series deserves a 5 star review." "Really humorous, lots of action and the characters are so much fun. Loved it. Fast-paced, entertaining read." "I picked up a copy of The Chimera Vector thinking it would be a standard adventure novel. I was wrong. From the sands of the Middle East to the streets of New York, Nathan Farrugia has taken the techno-action/spy novel pioneered by David Morrell and given it steroids." "Farrugia weaves an amazing tale of power, deceit and double crosses. Espionage at its finest, intrigue that will tighten your gut and light every nerve on fire, The Chimera Vector goes far beyond science fiction and becomes a fast-paced mystery-thriller that defies early detection of where we are headed." "This is going down as one of the best series I've read. And that's saying something. Filled with intense action with enough sci-fi and thriller to make me grin like I found the girl of my dreams." "Loved it. High paced action thriller it definitely is. You think you know where it is going then the plot twists again. It really kept me turning the pages to see what was going to happen next." "An excellent fast paced series that merges science, science fiction and adventure in one well written read that will make it impossible to put down." "Oh. Wow. What a book. I found The Chimera Vector to be well written, thoroughly entertaining, and at times unbearably suspenseful. I was literally holding my breath." "All the action that I really enjoyed in the first one and hoped would continue... the sequel blew that out of the ballpark. Amazing book, even better than the first, if that's possible! Love all the characters. " " Be warned! This series is totally addictive. Don ' t start this unless you ' re ready for a wild action-packed ride." About the author Nathan M. Farrugia is an Australian technothriller writer, and author of the USA Today bestselling Helix and Fifth Column series. Nathan is known for placing himself in dangerous situations, including climbing rooftops in Russia and being hunted by special forces trackers in the United States. He studies Systema, a little-known martial art and former secret of Russian special forces. Beyond his army training, Nathan has trained under USMC, SEAL team, Spetsnaz and Defence Intelligence instructors, and the wilderness and tracking skills of the Chiricahua Apache scouts and Australian Aboriginals. Nathan is currently in Malta, co-writing the sequel to the critically acclaimed video game Metro Exodus by 4A Games. Also by Nathan M. Manual de cine indie Ezequiel Romero 2020-06-09 Una película independiente sobre unos famosos asesinatos comienza su rodaje en la sierra de Madrid. Por ella desfilará un extenso elenco de divertidos personajes, a cuál más incompetente que el anterior, dejando a su paso planos muy mal rodados y lecciones para toda la vida. En este libro encontrarás multitud de consejos y conceptos técnicos y artísticos de todos los departamentos que conforman un rodaje de cine desde un punto de vista cercano, sincero y práctico. Como lector no tienes por qué saber mucho de cine para sentir la angustia de los protagonistas, pero este Manual de cine indie es más que un desternillante relato sobre los entresijos de una filmación. Es un inspirador viaje lleno de sorpresas y enseñanzas técnicas que invita a devorar sus páginas; el retrato de una forma de hacer cine en España que resultará muy familiar tanto para quienes están empezando como para los que tengan ya el beneficio de la experiencia. Que, a veces, resulte de los demás es muy sano. Y hasta instructivo. Esta es la divertida y fascinante historia de un rodaje en el que todo lo que podría haberse hecho mal se hizo mal.

Helix and The Fifth Column Nathan M. Farrugia 2020-12-27 Read the complete saga of 13 technothrillers in one value-packed box and save 30%! Damien and Jay don't exist. Officially. Unofficially, they're black operatives with an impossible mission. One of their agency's best operatives has gone rogue, and they're sent to stop her. But when Damien and Jay start to experience alternate memories and missing gaps in time, they realize there's more to this mission than they were supposed to know. And their hunt for the truth will take them to some dangerous places... If you love conspiracies and covert ops, this series is for you. The Complete Saga includes: The Chimera Vector (Thriller of the Year - Apple Books) The Seraphim Sequence The Phoenix Variant The Phoenix Ascent (bonus short story) Helix #1: Helix Helix #2: Exile Helix #3: Interceptor Helix #4: Anomaly Helix #5: Inversion Helix #6: Exclave Helix #7: Purity Helix #8: Kill Switch Helix #9: Countervail ZERO What readers are saying: "I COULDN'T PUT IT DOWN."
