**De lange weg naar de vrijheid Nelson Mandela 2017-10-21** De lange weg naar de vrijheid is de beroemde autobiografie van een van de grootste mannen van de twintigste eeuw. Nelson Mandela beschrijft de lange weg die hij heeft moeten afleggen van onwetende jongen tot charismatisch staatsman. Dit is het verhaal van misschien wel de wonderbaarlijkste omwenteling in de geschiedenis, verteld door de man die het allemaal heeft meegemaakt en in gang gezet. Het verhaal van Mandela, door Mandela.

**The Frankenstein Notebooks Charles Robinson 2022-07-30** Mary Shelley's Frankenstein is arguably the best known work of the English Romantic period. First published in 1996, this edition of The Frankenstein Notebooks contains not only facsimiles and transcriptions of all of the surviving manuscripts related to the novel and a corrected, critical text of Frankenstein (or The Modern Prometheus) but also a full range of factual information, drawn from Shelley's and William Godwin's letters and journals, from newspaper ads of the day, and from other available scholarship about the conception, gestation, and birth of Mary Shelley's monster. This two volume set contains a wealth of information vital to the creation and reception of Frankenstein. It will enable scholars, critics and students to see for themselves the exact extent of P. B. Shelley's editorial contributions and trace the artistic and ideological development of the novel at various stages in its formation. It will also enable the reader to explore the text itself to test and evaluate their own theses. This set will be of keen interest to those studying Frankenstein, the Romantics and 19th century literature.

**French Ruled Notebook French Ruled Paper Notebook Company 2019-04-06** Don't let the cute pink cover fool you - this is a serious French Cursive Writing Practice Notebook that is just perfect for students practising their French Calligraphy and Cursive Writing So what is the Seyès Grid Graph Paper Also known as Grands Carreaux (large squares) paper, Seyes paper was named after its creator and is a grid system based around 8mm x 8mm squares with thinner horizontal lines spaced 2mm apart to help children and teens form the French cursive letters correctly. **Shelley and His Circle, 1773-1822 Carl H. Pforzheimer Library 1961**

**Little Failure Gary Shteyngart 2014-02-27** Little Failure is an autobiography of comic genius by the hilarious Gary Shteyngart. Little Failure - its title the same as the alarming pet-name given to the young Gary Shteyngart by his father when growing up in pre-Glasnost Russia - is one of the most remarkable immigrant memoirs ever written. A candid and deeply poignant story of a Soviet family's trials and tribulations, and of their escape in 1979 to the consumerist promised land of the USA, it is also an exceptionally funny account of the author's transformation from asthmatic toddler in Red Square to 40-something Manhattanite with a receding hairline and a memoir to write. 'Kicks ass - more fantastic, more unbelievable than his novels' Mary Karr, author of *The Liars' Club* 'A marvel of a story. His finest book yet' Zadie Smith 'Little Failure is a delight' Aravid Adiga Gary Shteyngart was born in Leningrad in 1972. In 2007 he was named one of Granta's Best Young American novelists. His debut *The Russian Debutante's Handbook* was widely acclaimed (and won the National Jewish Book Award for Fiction), as were his second, *Absurdistan* (one of the 10 Best Books of the Year in the New York Times) and *Super Sad True Love Story*. He writes regularly for the New Yorker.

**The Topical Notebooks of Ralph Waldo Emerson Ralph Waldo Emerson 1990** "Published here for the first time are seven of Emerson's topical notebooks, which served as a source for his lectures, essays, and books of the 1850s, 1860s, and 1870s. Concerned primarily with nature, art, philosophy, American culture, and his contemporaries, the notebooks presented in this first of a three-volume editions afford fascinating insight into Emerson's creative practices. They will offer new perspectives for future readings of his completed works. The editors provide faithful transcriptions of the notebooks using the highest standards of textual practice. Their detailed annotations describe and comment on erased or revised passages, translate Greek and Latin quotations, and identify books and articles referred to in the texts of the notebooks. References to similar passages in Emerson's journals, lectures, and published works are also provided in the annotations. Publication of these notebooks will enable scholars to trace ideas that have gone unnoticed previously. The Topical Notebooks of Ralph Waldo Emerson, Volume 1, offers valuable insight into the art and philosophy of one of America's foremost thinkers. These volumes will be an important addition to any personal or institutional library of nine-teenth-century American literature."--Publishers website.

**The Notebooks Jean-Michel Basquiat 2015-05-26**

**Always Be Yourself Unless You Can Be a Flamingo Then Always Be a Flamingo Dawn O'Connor 2019-08-27** Introducing a handy quality 120 page wide lined with margin exercise/composition notebook. 90 GSM This quality notebook or writing journal has 120 College Wide Ruled Pages measuring 8.27 x 11.69 inches - standard A4 size. The cover and pages are the same as you would expect from any paperback novel. It's a useful gift for back to school, college or university for students or teachers. Large A4 Size College Lined Notebook Journal 120 ruled pages for notes, writing and as a journal Simple design with This Book Belongs To on the 1st page. Sturdy cover and securely bound pages that will not fall out with constant use. Great for college, school, University Gift or office use.

**Journals and Miscellaneous Notebooks of Ralph Waldo Emerson, Volume 1: 1819-1822 Ralph Waldo Emerson 1974-07** Ralph Waldo Emerson, the man and thinker, will be fully revealed for the first time in this new edition of his journals and notebooks. The old image of the ideal nineteenth-century gentleman, created by editorial omissions of his spontaneous thoughts, is replaced by the picture of Emerson as he really was. His frank and often bitter criticisms of men and society, his "nihilizing," his anguish at the death of his first wife, his bleak struggles with depression and loneliness, his sardonic views of woman, his earthy humor, his ideas of the Negro, of religion, of God--these and other expressions of his private thought and feeling, formerly deleted or subdued, are here restored. Restored also is the full evidence needed for studies of his habits of composition, the development of his style, and the sources of his ideas. Cancelled passages are reproduced, misreadings are corrected, and hitherto unpublished manuscripts are now printed. The text comes as close to a literal transcription as is feasible. A full apparatus of annotation, identification of quotations, and textual notes is supplied. Reproduced in this volume are twelve facsimile manuscript pages, many with Emerson's marginal drawings. The first volume includes some of the "Wide Worlds," journals begun while Emerson was at Harvard, and four contemporary notebooks, mostly unpublished. In these storehouses of quotation, juvenile verse, themes, and stories are the first versions of Emerson's "Valedictory Poem," Bowdoin Prize Essays, and first published work. Together they give a faithful picture of Emerson's apprenticeship as an artist and reveal the extent of his hidden and frustrated ambition--to become a writer.
