It is your certainly own mature to undertaking reviewing habit. among guides you could enjoy now is Paths To Recovery Al Anons Steps Traditions And Concepts below.

From Rehab to Recovery Janice L Witt 2013-11-26 In a decade virtually exploding with drug addiction books, Janice Witt writes this one to the Parents, Husbands, Wives, and loved ones of those who suffer with the disease of addiction and are wondering if drug rehab or alcohol rehab is the best course of action. Desperate and frightened, those who love addicted people suffer tremendously. This book addresses the issues surrounding drug addiction recovery, with research-based opinions regarding what kind of drug rehabilitation works best and for whom. In our society, drug addicts and drug addiction are demonized. What continues to fuel the perpetual prejudice, against this disease and those who have it, is a culturally accepted array of misinformation and misunderstanding. It is toward the end of ignorance that the Author writes a brief, research-based primer explicating the nature of addiction and effective drug addiction rehabilitation. In recovery for over 25 years, herself, Janice Witt has been helping other addicts and alcoholics get well for nearly 24 of them. This is not one of your average addiction recovery books. Janice not only educates the reader, but invites everyone to the journey of learning more about the disease of addiction and then in advocating on the behalves of those who suffer from it. At the end of the book you will find a website address, allowing you to download a FREE resource guide of addiction professionals and quality addiction treatment facilities recommended by the Author.

In het oranje ochtendlicht Nina Riggs 2017-07-31 In het onberispelijke oranje licht van Nina Riggs is het hartverscheurende verhaal van een vrouw die licht vond in de diepste duisternis. 'Doodgaan is niet het einde van de wereld,' vertrouwt haar moeder, die op dat moment niet lang meer te leven heeft, Nina Riggs toe. Dat neemt niet weg dat de klap groot is als Riggs op haar achtentigste te horen krijgt dat ze een ongeneselijke vorm van kanker heeft. De dood zit haar op de hiel. Wat is de betekenis van leven als de dood nadert? Hoe bereid je je voor op een definitief afscheid van je dierbaren? Met de weergaloe essays van Montaigne en Emerson als leidraad beschrijft Riggs hoe het is als schrijver, als moeder en als echtgenote verder te leven na zulk intens droevig nieuws. Van de kleine, dagelijkse handelingen tot de moeilijke gesprekken die ze moet voeren met haar twee jonge zontjes: Riggs beschrijft haar laatste maanden vol warmte, met lichtheid en humor. In het onberispelijke oranje licht is een inspirerend, ontroerend en vooral enorm levensbevestigend boek over onze sterfelijkheid.

Loving At the Edge: Recovery Emerging Suzanne L. Noel, CFT

Maximizing the Triple Bottom Line Through Spiritual Leadership Louis W. Fry 2013-01-09 Maximizing the Triple Bottom Line through Spiritual Leadership draws on the emerging fields of workplace spirituality and spiritual leadership to teach leaders and their constituencies how to develop business models that address issues of ethical leadership, employee well-being, sustainability, and social responsibility without sacrificing profitability, growth, and other metrics of performance excellence. While this text identifies and discusses the characteristics necessary to be a leader, its major focus is on leadership-engaging stakeholders and enabling groups of people to work together in the most meaningful ways. The authors offer real-world examples of for-profit and non-profit organizations that have spiritual leaders and which have implemented organizational spiritual leadership. These cases are based on over ten years of research, supported by the International Institute of Spiritual Leadership, that demonstrates the value of the Spiritual Leadership Balanced Scorecard Business Model presented in the book. "Pracademic" in its orientation, the book presents a general process and tools for implementing the model.

Intimate Spirituality Gordon J. Hilsman 2007-03-05 In *Intimate Spirituality: The Catholic Way of Love and Sex*, Gordon J. Hilsman presents sexual loving as integral to rather than separate from most people's spiritual lives. His coalescing of intimate love with traditional Catholic concepts—virtues, capital sins, fruits of the Spirit, sacraments—augments the pervasively moral view of sex with a spiritual perspective that highlights its beauty and power to shape the virtue of peoples lives. Seeing sexual attraction as built into humanity by the Creator to feed and challenge virtually all persons worldwide, he illustrates how intimate loving is actually a neglected aspect of Christian spirituality that has never been developed as fully as the individual and the communal. Hilsman calls upon theologians and spiritual leaders to further develop the understanding of intimate loving as a genuinely beautiful spiritual aspect of life. Many Christians (Catholics and Protestants alike) who take both their love lives and their Christian faith seriously, will find the positive, healthy view of sexuality presented in this book illuminating and helpful. So will those who counsel them.

Paths to Recovery Al-Anon Family Group Headquarters, Inc 1997 Al-Anon's steps, traditions and concepts.

De innerlijke criticus ontmaskerd Hal Stone 2016-10-08 Met het praktische De innerlijke criticus ontmaskerd van Hal & Sidra Stone maak je van je Innerlijke criticus een bondgenoot met wie je vruchtbaar kunt samenwerken. Iedereen herkent de Innerlijke Criticus. Hij fluistert, jammert, scheldt en houdt ons eronder. Hij beïnvloedt onze gedachten en ons gedrag, en weerhoudt ons ervan om actie te ondernemen. Hij denkt dat hij ons beschermt tegen afkeuring, pijn of eenzaamheid, maar deze kritische, innerlijke stem is een bron van schaamte, zorgen, depressiviteit, uitputting en gebrek aan eigenwaarde. Dit heeft een destructief effect op ons functioneren in relaties en op ons werk. De psychologen Hal & Sidra Stone zijn de bedenkers van 'Voice Dialogue'. Deze methode verandert de Innerlijke Criticus van een meedogenloze tegenstander in een bondgenoot met wie je vruchtbaar kunt samenwerken. De Innerlijke Criticus ontmaskerd is een praktisch boek, want d.m.v. levendige voorbeelden laten de Stones ons zien hoe we de Innerlijke Criticus kunnen herkennen en begrijpen, hoe we een 'Criticusaanval' kunnen hanteren en wat zeer belangrijk is: hoe de Innerlijke Criticus een intelligente, alerte en ondersteunende levenspartner kan worden.

AL-Anon Narratives Grazyna Zajdow 2002 Details and analyzes the ways in which women in AL-Anon deal with the problem drinking of their spouses.
Climbing Up the Downward Spiral Dean C. Jones 2010-09-01 Climbing Up the Downward Spiral takes a holistic approach in looking at practical, neurological, and spiritual issues, as it walks readers through the shadows of some of the most difficult problems of our time: financial loss; drug and alcohol abuse and addiction; mental illness; and suicide. The authors also share from their considerable personal experience with these problems. Bringing together some twenty years of work with people in programs of downtown, late-night ministry in different cities as well as personal experiences with illegal drugs, bipolar disorder, and a serious suicide attempt, Jones and Joseph walk readers through the shadows of our lives, offering encouragement, methods of coping, and above all, hope.

Красивый мальчик Дэвид Шефф Дэвид Шефф рассказывает об опыте долгой борьбы с наркозависимостью сына, анализируя собственные ошибки и исследуя пути к исцелению.
Dig Deep in One Place Bill Field; Sandy Fifield 2011-10-10 "Dig Deep in One Place: A Couple's Journey to a Spiritual Life" explains the actual recipe that the Twelve Steps of Alcoholics Anonymous are and how they can assist anyone in the transformation of their lives. The title of our book explains how we have lived our lives together moving through our relationship, marriage, co-dependency, addiction, and health issues to happy, joyous freedom. The Steps are way to rise above fear and live a happy and peaceful life. We have no desire to tell anyone how to do the Twelve Steps but to begin to scrape away the mystery surrounding them using our own practical experience to show how unbelievably simple it is to change from negativity to freedom. "Dig Deep" tells the simultaneous stories of this couple's pilgrimage using two views of the same events. The book tells of the depths of depression, addiction, co-dependency, fear and the miracle of recovery. It is filled with tears and laughter. The truth is The Twelve steps are not self-help-but helpfulness to others. The mere reading of this book will fill everyone with hope! Hope is not the promise of a good outcome; it is the realization that somebody truly understands and there is a way out of any difficulty you may have. Doing the Twelve Steps will stop you from forging the chains that bind you. Free at last!

Addiction Howard Padwa 2010-01 Presents alphabetically-arranged entries covering major figures, organizations, events, and United States government policies covering a variety of addictive substances and addictive behaviors.

How AL-Anon Works for Families & Friends of Alcoholics AL-Anon Family Groups 2018-08-01 AL-Anon's basic book is ideal for sharing widely with newcomers as a way of "paying our gratitude forward."

Soul Silence Peter Amato 2010-11 The millions of recovering addicts who attend Twelve Step programs around the world each dayfor issues ranging from alcoholism to overeating, codependence, gambling, and even chronic latenessquickly learn that sobriety and abstinence hinge on a decision to turn over their will and life to a Power greater than themselves. They also learn, through the program's 11th Step, that prayer and meditation are vital tools for making this conscious contact with a Higher Power of their understanding.

ADDICTION: WHY THEY USE (A handbook for anyone that loves an alcoholic or addict) Emmanuel S. John 2011-12-31 Addiction is perhaps one of the most emotionally painful issues we can observe in someone we love. Because of the complex emotional nature of the problem it is without question one of the most confusing human health issues we have ever faced as a society. Addiction often leaves loved ones worried, tortured and full of guilt. Addictive disease creates excessive levels of fear, stress and anxiety. It leaves family members living in a toxic state of fear for what the future might bring, as well as overwhelming physical and emotional exhaustion resulting from worry and blame. For those who love the addicted many crucial questions have remained unanswered for far too long. "Why They Use" bridges the information gaps for loved ones in very simplified and understandable terms. No longer are the loved ones of alcoholics and addicts left alone in fear. I understand your suffering because I have experienced it too! I wrote this book for you.

Twelve Steps to Religionless Spirituality Ward B. Ewing 2021-09-09 The Twelve Steps of Alcoholics Anonymous provides a spiritual program dramatically distinct from religion. Twelve Step spirituality is based on experience, not doctrine; it is pragmatic, focusing on what works and not on theory; it is centered in a community that is inclusive, welcoming all who desire to stop drinking; it seeks rigorous honesty even when that honesty involves painful questioning; and it centers upon service to the still suffering alcoholic. The power found in working the Steps is transformational, moving participants from despair to hope, from self-focused resentment to concern for others, and from angry efforts to control to gratitude for gifts received. It works for atheists and agnostics, secularists and free thinkers, Christians, Jews, Muslims, and other faiths. At a time when more and more people identify themselves as spiritual but not religious and the traditional religious institutions are in decline in Western culture, Twelve Step spirituality provides insights that can assist in the renewal and reinvention of our churches, synagogues, and mosques. In our time of dramatic social polarization, it can provide a foundation for bridging differences. Largely unknown outside the recovery community, this book examines how this transformative program can be relevant to today.

Encuentra tu camino a pesar de la violencia intra familiar
Clinical Work with Substance-Abusing Clients, Third Edition Shulamith Lala Ashenberg Straussner 2013-12-13 A leading professional resource and course text, this book provides practical guidance for treating clients with substance use disorders in a variety of contexts. Expert contributors present major assessment and treatment approaches together with detailed recommendations for intervening with particular substances. Clinical techniques are clearly explained and illustrated with helpful case examples. Important topics include harm reduction; strategies for working with family members; and ways to meet the needs of specific populations, including women, adolescents, older adults, LGBT clients, and those with frequently encountered co-occurring problems. New to This Edition *Revised to reflect current research and clinical advances; updated for DSM-5. *Chapters on trauma-informed care, cognitive-behavioral therapy, and complementary/alternative approaches. *Chapters on neurobiology and behavioral addictions. *Significantly revised chapters on family treatment and dual disorders.

It's Not About You, Except When It Is Barbara Victoria 2012-10-16 Straight-talking self-preservation tools and techniques for parents of addicts in or out of recovery.

American Families in Crisis Jeffrey S. Turner 2009 An authoritative reference that helps general readers understand the varieties of crises impacting modern-day families and the intervention techniques designed to resolve them. * The chronology highlights important moments in the study of family crises over the past 100 years, including statistics related to the topics presented in earlier chapters, notable achievements in family studies research, the formation of professional associations and organizations, births and deaths of notable scholars, and much more * The Data and Documents chapter uses clear graphics to provide accurate and meaningful

information, helping the reader to better understand the complexities of family stress and crisis

Spirituality in the Workplace Stephen J. Broadhurst 2021-04-27 As we become more and more of a global trading world, the challenges of leading and managing within this turbulent environment and its associated, complex, interconnected markets and disconnected relationships are indisputable, so just how far can any change requirements be practically engaged with, whilst also keeping the employee at the organisation's central core? Today's business world cries out for people who can lead with a cross-cultural global perspective, who can lead from the heart as well as the mind and address and manage problems on not just an integrated local level, but also with a healthy, holistic perspective. The subject of spirituality has long been discussed within academic research, but there still seems to be a misunderstanding and stagnation of both its real meaning and application amongst business academics, the population and organisations alike. This book aims to provide a realistic message to help those who are looking for some answers; for those who are looking for a way to advance their own skill-set and progress both their careers and the organisation's current standing; to move from being confused and insecure about strategies and tactics, to positively contributing to not only their own, but also to the employees' well-being and the business's overall purpose and intention. By basing the content upon real and relevant, interesting, modern-day perspectives, applications, requirements, opportunities and benefits, all combined into a manual for thought and a practical framework for action, this book will significantly and realistically move the subject of spirituality forward. This book will be of interest to researchers, academics and students with a special interest in the, positive, influence of spirituality within the workplace and everyday healthy living.

Disentangle Nancy L. Johnston 2004-03-01

Understanding Twelve-Step Programs Bruce Brown 2009-11 If you have significant contact with a person involved in a twelve-step program, Understanding Twelve-Step Programs is intended for you. That person may be a friend, family member, parishioner, patient or employee. This book may also be useful if you have been told that you could benefit from a twelve-step program, but have yet to get involved in a group, or if you are still new to twelve-step programs. This book is not clinical; rather, I present the material as an experienced insider. Its topics include what goes on in meetings, addiction and withdrawal, how each step works, sponsorship, spirituality, anonymity, helping addicts, and recovery for friends and family. My purpose is to de-mystify twelve-step programs and to help you better understand the nature of recovery. Brown provides us with an insightful look into the world of recovery. As a substance abuse therapist I will find this a valuable tool in helping others understand 12 step work. I liked the book very much and believe it will be a useful tool to ministers, lay people, and those considering 12 step meetings. -Lisa B. Creef, L.C.S.W., L.C.A.S. Brown has accurately assessed the value of healing communities and their immeasurable impact for personal recovery. His practical and experiential knowledge of 12 step programs can lend us expert assistance for transformative ministry. -J. Bruce Ritter, Senior Pastor, Christian Life Center Bruce Brown came into his first twelve-step program in early 1993. Since then he has attended at least ten different types of twelve-step programs. His recovery has involved meetings in fifteen states covering all regions of the U.S. as well as online meetings. He has sponsored over twenty people and worked intensely with ten sponsors of his own. Bruce has spoken at many gatherings, and served his twelve-step fellowships at local, regional and national levels. As a result, his experience is broad enough to make generalizations about twelve-step programs that go beyond one type of fellowship or one region. Because of Bruce's focus on written step work, he has been labeled a "Step Nazi." He has worked the Twelve Steps numerous times.

Older Americans Information Directory 1999

Mi hijo precioso David Sheff 2011-07-06 Ahora en la gran pantalla Protagonizada por Steve Carell, Timothée Chalamet, Maura Tierney y Amy Ryan ¿Qué le pasó a mi hijo precioso? ¿A nuestra familia? ¿En qué me equivoqué? Esas son las tormentosas preguntas que acompañan a David Sheff en su viaje a través de la adicción a las drogas y los intentos de desintoxicarse de su hijo Nic. Antes de hacerse adicto a las drogas, Nic Sheff era un niño encantador, alegre y simpático. Adorado por todos, era un buen estudiante y un gran atleta. Pero las metanfetaminas le convirtieron en un tembloroso espectro que mentía, robaba y llegó a vivir en las calles. David Sheff traza las primeras señales de alarma, la negación, la llamada a las 3 de la mañana será Nic? ¿la policía? ¿el hospital? Su preocupación obsesiva por Nic se convirtió en otro tipo de adicción, también con trágicas consecuencias. Mi hijo precioso es una crónica entrañable y aterradora sobre cómo las adicciones no sólo dañan a los adictos, sino a todos los que les rodean. David Sheff ha escrito un poderoso y conmovedor retrato de familia, ahora adaptado para la gran pantalla y protagonizado por Steve Carell y Timothée Chalamet.

The 12-Step Buddhist Darren Littlejohn 2009-03-10 The face of addiction and alcoholism is a face that many have seen before -- it may be a celebrity, a colleague, or even a family member. And though the 12-step program by itself can often bring initial success, many addicts find themselves relapsing back into old ways and old patterns, or replacing one addiction with another. Author Darren Littlejohn has been there and back, and presents a complimentary guide for recovery to the traditional twelve-step program, out of his own struggles and successes through the study of Zen and Tibetan Buddhism. Working with the traditional 12-Step philosophy, the author first shares his own life path, and how he came to find the spiritual solace that has greatly enhanced his life in recovery. Then, he details out how his work integrating Buddhism into the traditional twelve-step programs validates both aspects of the recovery process. While being careful not to present himself as a Tibetan lama or Zen master, the author shows how each step -- such as admitting there is a problem, seeking help, engaging in a thorough self-examination, making amends for harm done, and helping other drug addicts who want to recover -- fits into the Bodhisattva path. This integration makes Buddhism accessible for addicts, and the 12 Steps understandable for Buddhists who may otherwise be at a loss to help those in need. The 12-Step Buddhist is designed to be a complimentary practice to the traditional 12-step journey, not a replacement. While traditional twelve-step programs help addicts become sober by removing the drug of choice and providing a spiritual path, they rarely delve deep into what causes people to suffer in the first place. The integration of Buddhism with the traditional process provides the wisdom and meditations that can help addicts truly find a deep, spiritual liberation from all causes and conditions of suffering -- for good.

Gelukkgig ben ik niet de enige Brené Brown 2014-04-30 De zoektocht naar perfectie is verwoeiend en meedogenloos. We worden constant opgejaagd door sociale verwachtingen die ons leren dat imperfect zijn synoniem is aan niet goed genoeg zijn. Overal wordt ons verteld wie, wat en hoe we moeten zijn. Hierdoor laten we niet zien waar we mee worstelen en beschermen we onszelf tegen schaamte, oordelen, kritiek en verwijten door te doen alsof we het allemaal perfect voor elkaar hebben. Op basis van haar jarenlange onderzoek en honderden interviews komt Brené Brown in Gelukkig ben ik niet de enige met een belangrijke waarheid: we zijn juist met elkaar verbonden door onze onvolmaaktheden. Kwetsbaarheid is geen zwakte, maar een reminder om ons hart en verstand open te houden voor de realiteit dat we allemaal in hetzelfde schuiltje zitten.

Stammi vicino Libby Cataldi 2013-07-05 "Ero costretta ad affrontare la realtà: mio figlio era un tossico. Era incomprensibile. Dovevo accettarlo, ma come fa una madre ad accettare di perdere il figlio?" Questo il dolore che lacera Libby, educatrice di professione e genitore premuroso, quando vede il suo brillante Jeff trasformarsi nell'immagine sbiadita di ciò che era. Al principio la droga è solo una bravata da ragazzini, ma presto prende il sopravvento e mostra il suo volto più feroce: la dipendenza, la schiavitù. Tra alti e bassi, Jeff riesce a mantenere un profilo rispettabile: nessuno può immaginare che dietro a quell'uomo affermato si nasconde un'esistenza miserabile fondata su un bisogno che non si può saziare. Ma quando Libby lo vede alla sua porta esausto, quando gli carezza la fronte durante l'ennesima crisi d'astinenza, fatica a riconoscere il figlio in quel corpo scheletrico, violato e senza forza. Combattente nata, non si perde d'animo: riuote il suo Jeff. In un intenso percorso di scoperta personale e familiare, Libby si spinge fino alle sue radici e riscopre il legame con l'Italia: al primo viaggio ne seguono molti altri, per periodi sempre più lunghi, durante i quali entra in contatto con la comunità di San Patrignano. È qui che riceve l'insegnamento più prezioso: "Stagli vicino". Dopo quattordici anni di perdizione e sconforto, di suppliche e minacce, di disintossicazione forzata e inevitabili ricadute, le viene chiesto il sacrificio più grande: credere nel figlio al punto tale da lasciarlo andare. Solo Jeff può decidere di liberarsi. Con sincerità disarmante, Libby racconta la sua storia di madre ossessionata dai sensi di colpa e dall'impotenza, la sua lotta per salvare un figlio deciso a perdersi e la faticosa risalita che glielo restituirà forse meno perfetto ma degno di un amore ancora più grande.

Querido Menino David Sheff 2018-12-07 O best-seller que inspirou o filme estrelado por Steve Carell, Amy Ryan e Timothée Chalamet. Nova edição revisada e com pós-escrito inédito. Em Querido Menino, o jornalista David Sheff relata a angústia e a luta pela sobrevivência de seu filho mais velho, dependente de metanfetamina. Antes um garoto encantador, atleta e estudante dedicado, Nic se transforma em um fantasma trêmulo que mente, rouba e vive nas ruas. Com seu instinto de jornalista, o pai pesquisa compulsivamente tudo que está ao seu alcance sobre drogas, os motivos que levam os jovens à dependência e os tratamentos que podem salvar seu filho. Entretanto, não há respostas definitivas, só alternativas — uma batalha incerta que Sheff compartilha de forma comovida e sincera. Querido Menino é o relato emocionante de um pai que sofre com o drama do filho — sem nunca desistir dele. "Cheio de episódios envolventes e insights importantes... Um livro de memórias que abre os olhos." — Washington Post "Honesto e cheio de esperança, esse livro vem em um momento propício em meio à epidemia de metanfetamina." — Publishers Weekly "Um retrato claro do que a metanfetamina faz com um dependente químico e com aqueles que o amam, Querido Menino pode ajudar outras famílias a lidar melhor com esse problema crescente." — Kirkus Review

Forthcoming Books Rose Army 1997

Beautiful Boy David Sheff 2018-01-11 THE NUMBER ONE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET 'What had happened to my beautiful boy? To our family? What did I do wrong?' Those are the wrenching questions that haunted every moment of David Sheff's journey through his son Nic's addiction to drugs and tentative steps toward recovery. Before Nic Sheff became addicted to crystal meth, he was a charming boy, joyous and funny, a varsity athlete and honor student adored by his two younger siblings. After meth, he was a trembling wraith who lied, stole, and lived on the streets.

With haunting candour, David Sheff traces the first subtle warning signs: the denial, the 3am phone calls (is it Nic? the police? the hospital?), the attempts at rehab. His preoccupation with Nic became an addiction in itself, and the obsessive worry and stress took a tremendous toll. But as a journalist, he instinctively researched every avenue of treatment that might save his son and refused to give up on Nic. This story is a first: a teenager's addiction from the parent's point of view — a real-time chronicle of the shocking descent into substance abuse and the gradual emergence into hope. Beautiful Boy is a fiercely candid memoir that brings immediacy to the emotional rollercoaster of loving a child who seems beyond help. Read the other side of Nic Sheff's bestselling memoir, Tweak. Praise for Beautiful Boy: 'A brilliant, harrowing, heartbreaking, fascinating story, full of beautiful moments and hard-won wisdom. This book will save a lot of lives and heal a lot of hearts'. Anne Lamott 'An important book... moving, timely and startlingly beautiful.' Richard Branson

Stay Close Libby Cataldi 2009-04-28 During his early teens, Jeff Bratton started using drugs. At first, alcohol and pot, but quickly he spiraled into using cocaine, ketamine, crystal meth and eventually heroin. How could this wonderful son, loving brother, and star athlete lose himself to drugs? How could his parents be so clueless? How could his mother, the long-term head of a private school, be so blind? "Stagli vicino", an Italian recovering addict told the author. "Stay close—never leave him, even when he is most unlovable." This is not a book about saving a child. It is a book about what it means to stay close to a loved one gripped by addiction. It is about one son who came home and one mother who never gave up hope. Stay Close is one mother's tough, honest, and intimate tale that chronicles her son's severe drug addiction, as it corroded all relationships from the inside out. It is a story of deep trauma and deep despair, but also of deep hope—and healing. Here is Libby Cataldi's story about dealing with addiction without withdrawing love, learning to trust again while remaining attuned to lies, and the cautious triumph of staying clean one day at a time. He told her, "Mom, never quit believing." And she didn't.

Disentangle Nancy L. Johnston 2020-08-18 A revised edition of the best-selling solution-oriented guide to identifying and healing over-involvement or "entanglement" in relationships with other anyone who has struggled with balancing his or her own needs and desires with those of the "other" person will benefit from Nancy Johnston's sensible, easy-to-follow method for changing the course of one's relationships. Disentangle combines psychoeducation, personal anecdotes, clinical case vignettes, and skills-building exercises. Johnston describes how to turn this self-destructive cycle around with self-assessments and experiential exercises designed to address essential aspects of self-awareness, distortions in thinking, communication style and tools, and spirituality. "Disentangling" is the process of creating enough emotional space between oneself and another person in order to better see the realities of any relationship and make healthier conscious decisions about it.

Learning to Love Differently: A Healing Pathway for Families of Addicts Candace Hartzler MA/LIICD 2018-09-29 Today's new media offers detailed coverage of "the epidemic," but offers little insight into a healing process for family members impacted by a loved one's substance use disorder. Learning to Love Differently guides families through that rocky landscape. It offers: •A definition of addiction and codependency without shame/blame •A clear and simple look at how complex love becomes during addiction •Personal recovery stories from author, from addicts and family members •Tools for self-reflection, referred to as "Story Pages," at end of each chapter •A name for the family pain as well as strategies for change

The 12-Step Buddhist 10th Anniversary Edition Darren Littlejohn 2019-11-19 Rediscover the classic guide for recovery with this tenth anniversary edition "that

transcends genres by seamlessly integrating the 12-Step approach, Buddhist principles, and a compelling personal struggle with addiction and a quest for spiritual awakening" (Donald Altman, author of Living Kindness). The face of addiction and alcoholism is recognizable to many—it may be a celebrity, a colleague, or even a loved one. And though the 12-step program by itself can often bring initial success, many addicts find themselves relapsing back into old ways and old patterns, or replacing one addiction with another. Working with the traditional 12-step philosophy, Darren Littlejohn first shares his own journey, and how he came to find the spiritual solace that has greatly enhanced his life in recovery. Then, he details out how his work integrating Buddhism into the traditional 12-step programs validates both aspects of the recovery process. With accessible prose and in-depth research, he illustrates how each step—such as admitting there is a problem, seeking help, engaging in a thorough self-examination, making amends for harm done, and helping other addicts who want to recover—fits into the Bodhisattva path. This integration makes Buddhism accessible for addicts, and the 12 steps understandable for Buddhists who may otherwise be at a loss to help those in need. The 12-Step Buddhist is designed to be a complimentary practice to the traditional 12-step journey, not a replacement. While traditional programs help addicts become sober by removing the drug of choice and providing a spiritual path, they rarely delve deep into what causes people to suffer in the first place. In this "unique synthesis of the traditional 12-Step model and the liberating wisdom of Dharma" (Mandala Magazine), addicts can truly find a deep, spiritual liberation from all causes and conditions of suffering—for good.

Alice, het wolvenmeisje Kristin Hannah 2015-10-27 Dr. Julia Cates is een beroemde kinderpsychiater, tot een schandaal haar carrière ruïneert. In ongenade keert zij terug naar Rain Valley, het stadje in de buurt van Washington waar ze is opgegroeid. Daar komt Julia in aanraking met een bijzonder zesjarig meisje, dat helemaal alleen vanuit de donkere bossen her stadje komt binnenlopen. Het wilde, vervuilde meisje kan of wil niet praten en is opgesloten in een wereld van onvoorstelbare angst en isolatie.

A Paths to Recovery Twelve Traditions Workbook George B 2013-10-24 This portion of the book "Paths to Recovery" presents the traditions followed by all Al-Anon Groups. The workbook is intended to help people thoroughly study the book.
