

Swamis Hand 2017 Share

As recognized, adventure as without difficulty as experience just about lesson, amusement, as with ease as settlement can be gotten by just checking out a book Swamis Hand 2017 Share furthermore it is not directly done, you could tolerate even more not far off from this life, approximately the world.

We manage to pay for you this proper as capably as simple pretension to acquire those all. We manage to pay for Swamis Hand 2017 Share and numerous ebook collections from fictions to scientific research in any way. among them is this Swamis Hand 2017 Share that can be your partner.

The Gold Brick Nishant Diwan 2017-01-06

Swami Vivekananda V. K. R. V. RAO 2017-09-15 This book assesses Swami Vivekananda's teachings, his personality and his contributions to the building of modern India. This biography has four sections - the life, the teachings, the man and Vivekananda as a Builder of Modern India. The author calls Vivekananda's "Practical Vedanta" as "Vedantic Socialism". He holds that the ideas put forward by Swami Vivekananda have a tremendous influence on the political thinking and action in India and embraced the mass dynamism of Gandhi and the socialistic ideals of Nehru.

Stress in the Modern World: Understanding Science and Society [2 volumes] Serena Wadhwa 2017-01-23 An engaging exploration of the scientific theories and medical conditions relating to stress and an examination of case studies that suggest ways to manage, reduce, and prevent stress in everyday life. • Examines the impact of stress on both physical and psychological health and from both theoretical and practical perspectives • Provides broad, detailed coverage that explains what stress is, the effects of stress, and effective—and ineffective—methods of coping with or reducing stress • Includes personal accounts from individuals who explain how a specific coping strategy worked for them, thereby providing suggestions of how readers may be able to improve the quality of their own lives

Elevation to Krsna Consciousness His Divine Grace A. C. Bhaktivedanta Swami Prabhupada 2017-02-07 The quality of our consciousness can go up or down based on how we see the world and act in it. When we act like the eternal spiritual beings that we are - small parts of a supreme whole - makes us happy. But if we focus our attempts at happiness on the temporary body and mind - on matter - and make those our life's priority, our consciousness will shrink and we'll be miserable. Spiritual elevation - raising our consciousness to higher levels - happens quickly when we revive our God consciousness. In this compact book, Srila Prabhupada recommends seeing the world as it is - a temporary place full of anxiety - and then taking the road to higher consciousness by rediscovering our relationship with the Supreme Person, Krishna. Anyone can become elevated; the journey begins with a single step up.

Those Forty Days Samir Chatterjee 2017-02-07

Inner Experience with Babaji Shivananda Babaji Shivananda 2022-01-12 About the Book: This book captures the inner experiences of devotees on their meeting with Babaji Shivananda. It is simply a spontaneous sharing of experiences of devotees who have felt a deep connection with Babaji in their hearts. It is really a token of their love and gratitude to the Guru, who appears as a form, but in reality, is formless. It is an assurance to those on the spiritual path to remain steadfast in their seeking and that Grace is always with them About the Author: Babaji Shivananda, a self-realised holy soul, is a divine personification of Love. He becomes whatever the devotee expects of him - a loving son, brother, friend, guide and teacher - ever smiling, serene and available for heart-to-heart spiritual connection. Babaji's mission is to bring about Love and Oneness (self-realization) among people who seek it. He teaches us that attaining God is simple if one follows the path of pure Love.

Food and Power Kanchan Mukhopadhyay 2020-07-06 Food practices of a people is the product of multiple factors. Endogenous as well as exogenous factors influence people's opinion and preferences about food. In India and its neighbouring countries, food practices are often delimited by economic standing, religion, caste and analogous systems of social ranking of the consumers. State and market forces also influence food behaviour by exercising control over production and trade. **Food and Power: Expressions of Food-Politics in South Asia** studies power relations between those who eat and those who decide (or at least try to decide) what people should eat. It raises questions pertaining to the politicization of ethnographic tradition in South Asia in relation to the intersection of religion, economy and food. This book explores how traditional food practices have undergone change owing to the influences of migration globalization and popular media to understand how ethos of the powerful affects the foodways of relatively weaker ethnic, religious, occupational and gender groups

The Reluctant Terrorist and Other Stories Rajeev Ahal 2017-08-18 Every minute in life, you are at a crossroad. Do you feel it? The heart pounding, breathtaking, exhilaration of it all? If not, you aren't alone. This is a book for those moments when you feel stifled, constricted or just simply not where you want to be. Take a journey into a seemingly haphazard past spent off the beaten track. Starting with a disillusioned college kid and continuing on into the life of a somewhat grown man, these twelve tales offer entertainment but also insights into the true flavors of rural and urban life, rooted in an ancient yet developing country like India. Meet people whose trysts with their daily lives hold insights into friendship, love, justice, pain, inspiration and more. This is a book of both adventure and reflection. It is for the soul. As the adage goes, 'Truth and amla (wild gooseberry) are the same - they are bitter at first but sweet and healthy in their aftertaste.' These stories deal with some questions that may well echo those that you hold. The meanings you derive from each story, or choose not to,

should be of great interest to you, for therein lie the seeds of the learning in your own lives!

Om=I Am R.N. Sreenathan 2017-04-04 This book on the Vedas, the primary texts of Hinduism, will help you find happiness within yourself and curb the modern addiction to obtaining material wealth. **BACK COVER COPY:** Humanity in general and Indians, in particular, have forgotten the Vedic legacy that offers a single solution for every problem. Its a legacy that can cure unhappiness, deliver knowledge by which everything becomes known, and provide an alternative to our addiction to alternative gadgets. But like explaining the taste of sugar to someone who has never tasted it, the message of the primary texts of Hinduism can be almost impossible to convey. This book on the Vedas will help you: find happiness within yourself instead of outside; seek spiritual truths amid a modern world; curb an addiction to obtaining objects and material wealth; and invest in yourself in order to find eternal peace and joy. The book distills the Vedas complicated spiritual tenets into lessons that can be easily understood. When you stop seeking, you'll realize that you already possess what are you want. Find the middle path that leads to happiness, truth, and wisdom with the insights and life lessons in Om=I Am.

Heathen, Hindoo, Hindu Michael J. Altman 2017-07-03 Today, there are more than two million Hindus in America. But before the twentieth century, Hinduism was unknown in the United States. But while Americans did not write about "Hinduism," they speculated at length about "heathenism," "the religion of the Hindoos," and "Brahmanism." In *Heathen, Hindoo, Hindu*, Michael J. Altman argues that this is not a mere semantic distinction—a case of more politically correct terminology being accepted over time—but a way that Americans worked out their own identities. American representations of India said more about Americans than about Hindus. Cotton Mather, Hannah Adams, and Joseph Priestley engaged the larger European Enlightenment project of classifying and comparing religion in India. Evangelical missionaries used images of "Hindoo heathenism" to raise support at home. Unitarian Protestants found a kindred spirit in the writings of Bengali reformer Rammohun Roy. Popular magazines and common school books used the image of dark, heathen, despotic India to buttress Protestant, white, democratic American identity. Transcendentalists and Theosophists imagined the contemplative and esoteric religion of India as an alternative to materialist American Protestantism. Hindu delegates and American speakers at the 1893 World's Parliament of Religions engaged in a protracted debate about the definition of religion in industrializing America. *Heathen, Hindoo, Hindu* is a groundbreaking analysis of American representations of religion in India before the turn of the twentieth century. Altman reorients American religious history and the history of Asian religions in America, showing how Americans of all sorts imagined India for their own purposes. The questions that animated descriptions of heathens, Hindoos, and Hindus in the past, he argues, still animate American debates today.

Data Analysis and Rationality in a Complex World Theodore Chadjipadelis 2021-02-15 This volume presents the latest advances in statistics and data science, including theoretical, methodological and computational developments and practical applications related to classification and clustering, data gathering, exploratory and multivariate data analysis, statistical modeling, and knowledge discovery and seeking. It includes contributions on analyzing and interpreting large, complex and aggregated datasets, and highlights numerous applications in economics, finance, computer science, political science and education. It gathers a selection of peer-reviewed contributions presented at the 16th Conference of the International Federation of Classification Societies (IFCS 2019), which was organized by the Greek Society of Data Analysis and held in Thessaloniki, Greece, on August 26-29, 2019.

De lange weg naar de vrijheid Nelson Mandela 2017-10-21 De lange weg naar de vrijheid is de beroemde autobiografie van een van de grootste mannen van de twintigste eeuw. Nelson Mandela beschrijft de lange weg die hij heeft moeten afleggen van onwetende jongen tot charismatisch staatsman. Dit is het verhaal van misschien wel de wonderbaarlijkste omwenteling in de geschiedenis, verteld door de man die het allemaal heeft meegemaakt en in gang gezet. Het verhaal van Mandela, door Mandela.

Numbers in India's Periphery Ankush Agrawal 2020-07-31 This book analyses the quality of statistics such as geographic area, census population and sample survey statistics in a developing country. Using field interviews, archival sources, and secondary data covering the last seven decades, it explores the shifting relations between various kinds of statistics over their lifecycles and charts their cradle-to-grave political career. It uncovers a mutually constitutive relationship between data, development, and democracy and offers an exciting account of how government statistics are social artefacts dynamically shaped by political and economic factors. The book also quantifies the impact of data quality on the statistics of interest to policy makers such as household consumption expenditure and federal transfers. *Numbers in India's Periphery* makes a major contribution to the growing literature on the political economy of statistics in developing countries through a novel analysis of the shifting determinants of the nature of data in North East India.

The Psychology of Fake News Rainer Greifeneder 2020-08-13 This volume examines the phenomenon of fake news by bringing together leading experts from different fields within psychology and related areas, and explores what has become a prominent feature of public discourse since the first Brexit referendum and the 2016 US election campaign. Dealing with misinformation is important in many areas of daily life, including politics, the marketplace, health communication, journalism, education, and science. In a general climate where facts and misinformation blur, and are intentionally blurred, this book asks what determines whether people accept and share (mis)information, and what can be done to counter misinformation? All three of these aspects need to be understood in the context of online social networks, which have fundamentally changed the way information is produced, consumed, and transmitted. The contributions within this volume summarize the most up-to-date empirical findings, theories, and applications and discuss cutting-edge ideas and future directions of interventions to counter fake news. Also providing guidance on how to handle misinformation in an age of "alternative facts", this is a fascinating and vital reading for students and academics in psychology, communication, and political science and for professionals including policy makers and journalists.

Human Termites Kusum Chauhan 2017-06-24 If you are eager and ready to change then this book is especially for you. Dear friends, we all are living in a world where each wants to be different from others, and for this we all are running a race of competition. This race of ours is filling us all with frustration, ego, and jealousy, the three very dangerous human termites. These termites are the keys not for our success but for our downfall as we all know that motivation is one of the most wanted basic daily need to live a better life. The author has taken this initiative to share the awareness regarding the ruin of these dangerous termites. Though you can read this book in one sitting, if you take your time to go through it patiently than, definitely, you will feel the changes in you. This book will help you go beyond your imagination and will help you to build up your thoughts and feelings in a much better way. I think this book will be a great asset to you.

The Young Detective Aryaman Mahajan 2017-04-04 Akhil is a self-made man. He realizes the essence of honest hard work and true spirituality in gaining happiness and success in life at a very early age. With an unfair life, he finds himself orphaned at a tender age, but still meets his destiny with exemplary courage and brings out the best in him, despite hardships. As a child, he had to flee his hometown to escape from the clutches of an unfortunate fate. He is raised in a temple by a noble soul, Swami Mayank, whom Akhil respects like his Godfather. With his co-detective Bhuwan, Akhil is chosen by The Slumber Crime Agency to solve a case and unravel the mystery of a biological warfare. Akhil and Bhuwan have to hunt down great secrets in the baffling mystery they try to solve. If the young detective does not succeed, the entire city of Mumbai would perish of a disease. Akhil and Bhuwan are pitted against a dangerous gang of underworld criminals. Akhil and Bhuwan have only 24 hours to solve the case... Will Akhil and Bhuwan succeed? Will the young detectives have the courage to fight a dangerous gang of underworld criminals? What is spirituality in reality?

Swaraj Ka Shanknaad Siddhartha Shankar Gautam 2022-06-08 A flourishing career, a passionate love affair and a lasting friendship come in the way of an unforgiving disaster. What ensues is a desperate attempt to hold onto the pieces that are falling apart. The pandemic not just ravaged the lives of millions of people but also bolstered the feelings of love, friendship and brotherhood in its wake. When the world was collapsing under COVID-19, a group of youngsters was busy salvaging humanity. While the Delhiites were adrift on the second wave, the heroic efforts of Rahul, a small-town boy, and Aditi, a gorgeous, affluent and qualified doctor with a benevolent heart, together with the support of the district administration's office proved that not all heroes wear capes. But are these heroes ready to pay the price for providing succour to others? Will they be magnanimous enough to let go of their own dreams, aspirations and even their life as they devote their time and resources to provide relief to strangers? Will their love tide over the unforgiving disaster that has gripped the world?

Kailash with Mohanji Mohanji Family 2017-07-28 The groups of people from various walks of life who travelled with Mohanji to experience this enigma called Kailash. This is their story. This book could open up doors and windows and bring new light into the minds of spiritual seekers, curious thinkers, travellers to Kailash or even a casual reader. Mount Kailash - the most powerful energy portal of earth. Kailash stands tall in the horizons of various religions and spiritual paths as an ultimate goal and destination for its seekers. It challenges man to test the death of his spiritual conviction. It literally moves mountains in endurance. Man versus Kailash could mean the ultimate realisation that every man is indeed Kailash - in depth and mystery. The mystery and power of the yogi God, called Shiva overwhelms a man to take up this journey of a lifetime against all odds. This is a life changing expedition. This is the ultimate test of faith. This is the ultimate pilgrimage of man to his own eternal abode. 85 people travelled with Brahmarishi Mohanji in 2016 to Kailash, of which 18 pilgrims performed The Inner Kora. This is a compilation of their death defying stories filled with amazing grace that enabled them to complete the journey and experience the ultimate joy of being in the lap of Shiva.

Remembering Air India Chandrima Chakraborty 2017-06-12 On June 23, 1985, the bombing of Air India Flight 182 killed 329 people, most of them Canadians. Today this pivotal event in Canada's history is hazily remembered, yet certain interests have shaped how the tragedy is woven into public memory, and even exploited to advance a pernicious national narrative. Remembering Air India insists that we "remember Air India otherwise." This collection investigates the Air India bombing and its implications for current debates about racism, terrorism, and citizenship. Drawing together academic analysis, testimony, visual arts, and creative writing, this innovative volume tenders a new public record of the bombing, one that shows how important creative responses are for deepening our understanding of the event and its aftermath. Contributions by: Cassel Busse, Chandrima Chakraborty, Amber Dean, Rita Kaur Dharmoon, Angela Failler, Teresa Hubel, Suvir Kaul, Elan Marchinko, Eisha Marjara, Bharati Mukherjee, Lata Pada, Uma Parameswaran, Sherene H. Razack, Renée Sarojini Saklikar, Maya Seshia, Karen Sharma, Deon Venter, Padma Viswanathan

Christianity in India Rebecca Samuel Shah 2018-11-08 Christianity has been present in India since at least the third century, but the faith remains a small minority. Even so, Christianity is growing rapidly in parts of the subcontinent, and has made an impact far beyond its numbers. Yet Indian Christianity remains highly controversial, and it has suffered growing discrimination and violence. This book shows how Christian converts and communities continue to make contributions to Indian society, even amid social pressure and violent persecution. In a time of controversy in India about the legitimacy of conversion and the value of religious diversity, Christianity in India addresses the complex issues of faith, identity, caste, and culture. It documents the outsized role of Christians in promoting human rights, providing education and healthcare, fighting injustice and exploitation, and stimulating economic uplift for the poor. Readers will come away surprised and sobered to learn how these active initiatives often invite persecution today. The essays draw on intimate and personal encounters with Christians in India, past and present, and address the challenges of religious freedom in contemporary India.

Swami Writes a Life Through the Astral, Through Dreams and in the World of Symbols, Vibrations and Promptings! Sharon Beth Bressler Wojno 2018-12-14 This is a travel log of a beginner's mystic journey into the realm of higher realities. Many people have said that there has to be much more to this mundane material existence. They are correct. There exists a dynamic world filled with spiritual guides who will lead you to a higher reality when you choose to do so. It is the greatest adventure that one can experience. To understand that the universe is an unlimited intelligence that can speak to us in great deal is a wonder. When we make it our intent, we will attract the divine agenda. Through God's creative principle, we will be given the appropriate guides and experiences to begin our journey.

BHAGAVAD GITA CHAPTER 01 & 02 Swami Chinmayananda 2017-07-09 This book contains the first two chapters of Srimad Bhagavad Geeta. In the first chapter the scene is set, the armies are facing each other prepared for war, when we see Arjuna in a deluded and miserable condition as he breaks down on the battle field. In the second chapter, the compassionate Lord, Sri Krishna begins to impart knowledge to Arjuna. In this chapter he deals specifically with the sankhya philosophy.

The Jewish Encounter with Hinduism Alon Goshen-Gottstein 2017-08-01 Hinduism has become a vital 'other' for Judaism over the past decades. The book surveys the history of the relationship from historical to contemporary times, from travellers to religious leadership. It explores the potential enrichment for Jewish theology and spirituality, as well as the challenges for Jewish identity.

Medical Understanding of Yoga Prakash C Malshe 2017-09-15 Medical Understanding of Yoga is a research-based book

that reveals several facets of yoga that are unknown either to yogis or to medical doctors. The book describes how periodic fasting can benefit people suffering from obesity, menstrual disorders and several autoimmune diseases. Medical Understanding of Yoga states that several yogic techniques like Pranayama, Nauli-kriya and Agni-sara offer several benefits through brief intermittent hypoxia, such as increasing Nitric Oxide production, generation of collateral vessels in ischemic areas and facilitating stem-cell trafficking. Chapters in this book discuss the positive role of air in the gastrointestinal tract, in inhibiting the causative organism of peptic ulcer, contributing to satiety and uplifting mood; and also helping release of factors that prolong life of insulin-secreting beta cells and facilitate their regeneration. This book reveals that breath-holding beyond comfort zone switches on non-shivering thermogenesis. Activation of parasympathetic nervous system by nose-gazing, by Aunkar japa and some other techniques and that of sympathetic nervous system through mulabandha which bring about favorable changes in heart rate and blood pressure have also been discussed. A new twist has been given to the understanding of the well-known Suryanamaskara which, according to the author, is not a physical exercise but a great technique to fill the intestines with air, which can enable one to reduce food intake without getting the usual cravings and also inhibit several intestinal pathogens. One can even bloat oneself to buoyancy and stay afloat on waters of immeasurable depth. The secret air-drinking yogic technique has been revealed in this book. With revolutionary concepts like 'Eating Protein is Madness' and possible reality and utility of Human hibernation (Hatha-yogic Samadhi) this book will serve as an invaluable companion not only for doctors but for those who are established in Yoga practice or involved in Yoga-teaching or Yoga-research -- Provided by the publisher.

Sanathana Sarathi English Volume 07 (2012 - 2021) Sri Sathya Sai Media Centre 2022-11-12 Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.

India as a Model for Global Development Mahmoud Masa'eli 2018-10-11 India is an emerging market economy, and has been more successful than most other emerging economies. Key to this success are India's ancient legacy of consensus democracy, non-violence, multi-culturality, tolerance, secularism, and the practical simplicity of economic life inspired by Mahatma Gandhi. Also, vital to India's present economy is the history of the country since the struggle for Independence began in 1857. India has followed a strikingly distinct route of development from other emerging economies such as South Korea, China, Malaysia, Brazil, and Mexico. While these countries concentrated on manufacturing and exports, India grounded its economy on an integrative domestic system of life. This model is marked by interesting and gradual, but constant, growth with an emphasis on services. Reforms in land-agricultural system, political governance, and financial management have led to a landmark stage of economic progress, with India's GDP rate higher than many emerging market economies. This volume explores the reasons why India has fared better than other emerging market economies, and whether other countries can take inspiration from this model and rebuild their own countries based on their national resources, cultural heritage, and the capacity to interact globally.

East or West Sudhir Jain 2017-06-02 East or West is a worldly, eclectic collection of linked short fiction. In these pages are stories that explore themes like the clash of cultures of east and west, the small instances that shape great lives, starting over, and more. A new holy site arises in the east: an ashram . . . for atheists, but is it all that it seems? A young British girl struggles against her new boyfriend's fundamentalist religious culture. A musician in the 1800s strives to gain recognition while under the shadow of one of the greatest composers of all time. A business tycoon has one last chance at happiness after his hubris has cost him his fortune. A debut author seeks success at a local book fair. A young executive tries to close a deal that could save her struggling company. East or West contains more than twenty stories that radiate intelligence, pathos, and humour in a reading experience for all ages.

Laymen's Guide to Gerontology Swami Gopalanand Saraswati 2017-09-04 There comes a day, in everyone's life, when, after his morning walk, bath and breakfast, getting dressed and picking up his portfolio, he suddenly realizes that he has nowhere to go; no office to attend, no class to teach, no client or customer to attend. He is faced with the question, "What

to do now that I have nothing to do?"

Sins, The Gita & Karma Dhiraj Singh 2017-10-24 Story 1 Two brothers, Jogi and Munna Yadav, are two extraordinary guys leading ordinary lives. Fate intervenes and the proverbial Seven Deadly Sins - Pride, Covetousness, Gluttony, Anger, Lust, Envy and Sloth - impact and shape their lives - paths in very different ways, often proving to be virtues rather than sins. Both brothers reach the pinnacle of success, albeit via tangentially different paths. Jogi gets married to the dusky and ambitious Hansika, while Munna to the simple, but sweet, Neelima. Life has only just begun to smile on them, but will it continue to . or will the deadly fangs of past sins extract their pound or flesh? Story 2 Taking lessons in the Gita from his friend Krish, Arjat fights on with adversities of life - being orphaned at an early age and then having been adopted by his uncle, Brij. His friends KC and the love of his life, his wife Jasmin, are his pillars of strength in Arjat's perpetual fight with circumstances. until one of the pillars crumbles under pressure. Arjat is charged with the murder of his ex-boss, but his staunch supporters, his karma and the grand design of the Universe come to his rescue, though not before claiming their dues and revealing hidden surprises and twists in the take, which completes his amazing journey, rendering the lessons learned from Gita well-realized.

The Day I Met My Soul Meeta Gupta 2017-09-11 Where do you plan to holiday this season? Why don't you embark on an adventurous journey with young Meraki, beyond physical boundaries? A story filled with anecdotes about Meraki's life and how her setbacks and problems set her on a journey to the unknown inner world, are sure to enrapture you. On her journey, she discovers the mystery behind her thoughts, breath, emotions, silence and stillness. Drawing a parallel with our inner self, this soul-stirring experience will uncover how we are constantly guided by the unknown universal power. As Meraki dives through layers of her inner world, be prepared to be amazed when she discovers her powerful self. Will Meraki be able to communicate with Universal Language as she encounters a ferocious tiger during her solitary stay? This is an inspiring tale celebrating the strength of the young girl, her inner-world, adventures she sets off on and on a different note, how these sojourns empower one to bring forth their powerful presence.

Margot Reba Som 2017-07-17 Among all the disciples of Swami Vivekananda, Sister Nivedita occupies pride of place. Margaret Noble arrived at India's shores in the late nineteenth century, took the vows of a brahmacharini, and devoted the rest of her life to the cause of India. Apart from educating women, Nivedita wrote valuable treatises on Hindu thought and Indian culture, inspiring nationalist sentiment and unity. She won over leading national figures of the day with her fierce intellect, and even influenced the ending of Rabindranath Tagore's novel, Gora. Known to be 'drunk with India', she provided immense professional support to the brilliant scientist Jagadish Chandra Bose; dialogued with great leaders like G.K. Gokhale and Aurobindo Ghosh; and inspired Abanindranath Tagore to create a painting that eventually became the iconic Bharat Mata. In this compelling biography, the author traces the development of Margaret from a loyal Irishwoman into Sister Nivedita, and finally into 'Lok Mata' or 'People's Mother'—a title bestowed on her by Tagore. She draws on Nivedita's vast corpus of writings and personal letters to provide an intimate view of her life and thought. Through an insightful and moving narrative, Margot reveals the feisty, irrepressible spirit behind one of India's greatest friends.

Scalable Uncertainty Management Nahla Ben Amor 2019-12-02 This book constitutes the refereed proceedings of the 13th International Conference on Scalable Uncertainty Management, SUM 2019, which was held in Compiègne, France, in December 2019. The 25 full, 4 short, 4 tutorial, 2 invited keynote papers presented in this volume were carefully reviewed and selected from 44 submissions. The conference is dedicated to the management of large amounts of complex, uncertain, incomplete, or inconsistent information. New approaches have been developed on imprecise probabilities, fuzzy set theory, rough set theory, ordinal uncertainty representations, or even purely qualitative models.

Routledge International Handbook of Charisma José Pedro Zúquete 2020-11-29 The Routledge International Handbook of Charisma provides an unprecedented multidimensional and multidisciplinary comparative analysis of the phenomenon of charisma - first defined by Max Weber as the irrational bond between deified leader and submissive follower. It includes broad overviews of foundational theories and experiences of charisma and of associated key issues and themes. Contributors include 45 influential international scholars who approach the topic from different disciplinary perspectives and utilize examples from an array of historical and cultural settings. The Handbook presents up-to-date, concise, thought-provoking, innovative, and informative perspectives on charisma as it has been expressed in the past and as it continues to be manifested in the contemporary world by leaders ranging from shamans to presidents. It is designed to be essential reading for all students, researchers, and general readers interested in achieving a comprehensive understanding of the power and potential of charismatic authority in all its varieties, subtleties, dynamics, and current and potential directions.

Spectrum of Mindfulness: Osho insights into inner ecology Dr. Vasant Joshi 2017-01-23 -

Multi-religiosity in Contemporary Sri Lanka Mark P. Whitaker 2021-09-26 This book presents a collection of original research about every day, innovative, interactive, and multiple religiosities among Sri Lankan Buddhists, Hindus, Muslims, Christians, and devotees of New Religious Movements in post-war Sri Lanka. The contributors examine the unique and innovative religiosity that can be observed in Sri Lanka, which reveals a complex reality of mingled, and even simultaneous, cooperation and conflict. The book shows that innovative religious practices and institutions have achieved a new prominence in public life since the end of Sri Lanka's civil war in 2009. Using the analytic framework of 'innovative religiosity' to allow researchers to look at this question between and across Sri Lanka's plural religious landscape in order to escape both the epistemological and ethnographic isolation of studies that limit themselves to one form of religious practice, the chapters also investigate the extent to which inter-religious tolerance is still possible in the wake of Sri Lanka's religion-involving civil war, and the continuing influence of populist Buddhist nationalism, globalization and geopolitics on Sri Lanka's post-war governance. The book offers a novel approach to the study of post-conflict societies and furthers the understanding of the status of tolerance between religious practitioners in contexts where both ethnic conflict and multi-religious sites are prominent. This book is an important resource for researchers studying Anthropology, Asian Religion, Religion in Context and South Asian Studies.

Yogamass Gena Davis 2017-04-21 YogaMass: Embodying Christ Consciousness bridges yogic principles and practices with Christian spirituality and worship as a path for bringing the whole self (body, mind, soul, and spirit) to the experience of spiritual awakening. The author, an ordained Episcopal priest, weaves together spiritual practices from different traditions with her own discovery that yoga's ancient truths are complementary with Christian beliefs taking one deeper into the spiritual life in ways that people of diverse faiths can embrace. Blending yogic practices with Christian spirituality and

worship, the Reverend Gena Davis has co-created an exciting and powerful new practice of spiritual ritual and celebration called YogaMass that leads to embodying Christ Consciousness. On and off the yoga mat, this book points the way to discovering a whole-self spiritual experience and connecting with God through an awakened open mind and heart. I loved this book! The author, the Reverend Gena Davis, shares the story of her amazing spiritual journey that culminates in the creation of the worlds first YogaMass service. This alone would make the book well worth reading, but throughout, she integrates sacred writings, stories, and poems from spiritual masters of western and eastern spirituality, all the while never losing sight of her own Christian heritage. It is a remarkable accomplishment. You will be blessed by this book and want to share it with others. - The Reverend Dr. John K. Graham, president and CEO, Institute for Spirituality and Health at the Texas Medical Center, Houston I am delighted and privileged to encourage those who seek to worship God with all that is within to pick up and digest this spiritual teaching presented by the Reverend Gena Davis. Gena has captured the importance of worshipping God with, as the Psalmist uttered, all that is within me. I am fascinated by the interplay of yoga and liturgy within these pages, and find myself wanting to go deeper into both. I think the Reverend Davis is on to something that has been lacking in our Christian path and tradition. The interweaving of her personal narrative and the spiritual insights she gained through the study and practice of yoga unveils how Gods truth makes itself known through many different paths. - The Reverend Dr. Richard Kleiman, retired Presbyterian pastor Yoga is an exploration based on experiential processes. It is defined by our own internal truth! Making Yoga universal but deeply personal is something Gena Davis expresses so beautifully. - Robert Boustany, Yoga instructor and master, and founder of Pralaya Yoga system Yoga Guru to Swadeshi Warrior Sandeep Deo 2017-12-18 'Can anyone imagine that a man with such a strong, continuous and unbroken will has been reaching out to the masses with the goal 'one life-one mission'. He has been travelling the country round the clock and has been meeting lakhs of people every-day and motivating them through yoga. If Baba Ramdev would have been in any other country then there would have been so many Universities that would have done PhD on his life history.' I had once asked Baba Ramdev that yoga gives energy, good-health and zeal but how does it help when you are surrounded with so many problems? 'Baba Ramdev had started his journey for the well being of this country's citizens through yoga, especially for the poor who were not able to afford medicines. After travelling for ten years across the country he noticed that it's not only the health of the citizens that needed attention but also the 'health of the country' so from then onwards he began to voice his concerns related to the dysfunctions of the nation. Baba Ramdev is such a personality who doesn't rest till he achieves his goals.'
