Target Setting and Goal Achievement Richard Hale 1998 Goals, targets and objects are ideal ways to stretch individuals and develop an organization. A common misconception however is that it is very difficult, if not impossible, to set targets for certain jobs and roles. Firmly based on leading-edge research, yet highly practical in focus, Target Setting and Goal Achievement shows how it is possible to set targets in all functions of an organization and in all sectors. Clear guidelines are supported by real examples and detailed case studies as the authors outline step-by-step advice to help:
