Children of the Dead End Patrick MacGill 2016-03-03 Peopled with extraordinary characters, suffused with humour and yet unflinching in its portrayal of the near slavery of the poor in Scotland and Ireland, Children of the Dead End sold 50,000 copies a year in the 1920s. It was as influential in its own way as the work of social investigators such as Rowntree in bringing about change in British and Irish attitudes to poverty and destitution. Starting with an account of his childhood in Donegal, Ireland at the end of the 19th century, the story moves to Scotland where, living as a tramp, then working as a gang labourer, and for some years as a navyy at

Kinlochleven near Fort William, Dermot Flynn (as he calls himself) begins to discover himself as a writer.

The Son of Man in Myth and History Frederick Houk Borsch 2007-03-01 ""Borsch has not answered all the questions, of course. Who can? But his view of the Man tradition makes more sense to me than, for example, Perrin's rather cavalier dismissal of the evidence, and it not only enlightens but also enlivens the discussion. As against the extreme skeptics, Borsch is also convincing to me in arguing the case for a large measure of authenticity in the Son of man tradition in the Gospels. If the proof of the pudding is in the eating, the book constantly calls me back to its pages for insight regarding the problem, both in its historical dimension and in its bearing upon the meaning of Jesus of Nazareth for faith today. --'Theology' ""The author is well aware of the difficulties involved in entering a field wherein so much investigation has been done. And of this, with the positive and negative conclusions, he gives an excellent survey, crisp and critical . . . The lines opened up will engage the attention of a new and more positive chapter in the form-critical argument. --'London Quarterly and Holborn Review' Frederick H. Borsch is the retired Bishop of the Episcopal Diocese of Los Angeles and Professor of New Testament and Chair of Anglican Studies at The Lutheran Theological Seminary at Philadelphia. He is also the former Dean of the Chapel at Princeton University. His other books include 'The Spirit Searches Everything: Keeping Life's Questions', 'The Bible's Authority in Today's Church', 'Introducing the Lessons of the Church Year: A Guide for Lay Readers and Congregartions', and 'The Christian and Gnostic Son of Man'.

Fighting Women Victoria Katherine Burbank 2018-07-10 Fighting is common among contemporary Aboriginal women in Mangrove, Australia. Women fight with men and with other women—often with “the other woman.” Victoria Burbank’s depiction of these women offers a powerful new perspective that can be applied to domestic violence in Western settings. Noting that Aboriginal women not only talk without shame about their angry emotions but also express them in acts of aggression and defense, Burbank emphasizes the positive social and cultural implications of women’s refusal to be victims. She explores questions of hierarchy and the expression of emotions, as well as women’s roles in domestic violence. Human aggression can be experienced and expressed in

different ways, she says, and is not necessarily always "wrong." Fighting Women is relevant to discussions of aggression and gender relations in addition to debates on the victimization of women and children everywhere. The Weight of Womanhood Rev Emmanuel Oghene 2021-09-12 The Weight of Womanhood highlights the incomprehensible avoidable pressures put on women by societal expectations, male folks and sometimes women themselves. There is this culture of taking women for granted or taking advantage of women. Laban used his two daughters to swindle his nephew, Jacob, the Philistine Kings, and high officials used Delilah against Israelite leader, Samson who had become a pain in the ass for the Philistines' leadership. King Saul attempted to use his daughters rather than any of his sons to kill David. Certain cultures imply that one of the worst things a woman can do is to conceive and bear a girlchild. They turn a blind eye to the murder of millions of growing girlchild in the womb on yearly basis. Moses' older sister, Miriam resented and antagonized his wife to the extent that God was incensed to punish Miriam. King Rehoboam robbed his eldest son of his right because he preferred one of his stepmothers to the eldest son's mother. When Samson's mother claimed that an angel had visited her to talk about the imminent conception and birth of Samson, his father did not believe her. She had to ask God to resend His angel to attest to her claim before Samson's father believed her. Most men take women's gynecological and maternal exigencies for granted. Once Hannah did not conceive and bear him a child quickly, though he was supposed to love her very much, Elkanah opted for a second wife, Peninnah who made life miserable for Hannah once she bore Elkanah children while Hannah remained barren. He did not do anything to restrain Peninnah from worsening Hannah's miseries.

Dead Boys Gabriel Squailia 2015-03-10 "If China Miéville, Neil Gaiman and Hunter S. Thompson had a ménage à trois, Dead Boys would be the lovechild. A cracking book." —Jay Kristoff, author of Stormdancer A decade dead, Jacob Campbell is a preservationist, providing a kind of taxidermy to keep his clients looking lifelike for as long as the forces of entropy will allow. But in the Land of the Dead, where the currency is time itself and there is little for corpses to do but drink, thief, and gamble eternity away, Jacob abandons his home and his fortune for an opportunity to meet the man who cheated the rules of life and death entirely. According to legend, the Living Man is the only adventurer to ever cross into the underworld without dying first. It's rumored he met his end somewhere in the labyrinth of pubs beneath Dead City's streets, disappearing without a trace. Now Jacob's vow to find the Living Man and follow him back to the land of the living sends him on a perilous journey through an underworld where the only certainty is decay. Accompanying him are the boy Remington, an innocent with mysterious powers over the bones of the dead, and the hanged man Leopold l'Eclair, a flamboyant rogue whose criminal ambitions spark the undesired attention of the shadowy ruler known as the Magnate. An ambitious debut that mingles the fantastic with the philosophical, Dead Boys twists the well-worn epic quest into a compelling, one-of-a-kind work of weird fiction that transcends genre, recalling the novels of China Miéville and Neil Gaiman. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

The Seventh Plague Vessel Mitchell Frogge 2000-08-24 The Seventh Plague Vessel is a narrative, which depicts the future history of the "fall of Earth" during the battle between God and Satan at Armageddon. The narrator is a family man that loses his family and drops out of society. Four years later he arrives at a plasma donation center in Omaha, NE where he observes the lives of several of the workers and patrons there. The stories

completely change his point of view of life and destroy all sense of morality he has left. Thus begins the "fall of Earth." It covers the seven years of Armageddon and his part in it, with and against the powers of Satan. The narrator unknowingly carries God's first witness through the tribulation. The job of the first witness is to record the "fall of Earth" from the side of Satan. The narrator witnesses the breaking of the seven seals, the blowing of the seven trumpets, and the spilling of six of the seven plague vessels. As the years go by he becomes a general in the army of Satan, conquering North America as he searches for the Seventh Plague Vessel. Only at the end does he discover the fatal truth about the Seventh Plague Vessel.

Child Man Ashok Malhotra 2014-04-11 There is a part of us which neither listens to the voice of reason nor submit easily to social/moral conventions. Like a child, it relentlessly pursues whatever catches its fancy and keeps playing with fire. It can either help us actualize our heroic potential or put us on the road to self-destruction. Perhaps the key to this difference lies in what we do with our emotional/psychic wounds which are a necessary part of the growth process. The book explores the inner landscape of this part of our psyche through the mythological figures of Balarama, Duryodhana and Bhima. It also examines the present day context of human existence which has ironically enhanced both our prowess and helplessness and thereby pushed this part of ourselves into our psychic/social underbelly.
