She didn't know this was the last time she'd ever walk this path. Hidden deep in the forest, schoolgirl Felicity Parker is found carefully laid out on a rock with nothing but a freshly picked bunch of flowers next to her. The body lies just off a popular hiking route, and Detective Jenna Alton thinks the killer might be a visitor to the town, until another girl's body is found at the local swimming pool, once again posed with a bunch of flowers. Jenna recognizes the signs of a serial killer, and thinks it could be a local. As the town is gripped with fear, Jenna must examine each person the girls knew, and trust between neighbors starts to crumble. Both girls went out on their own, and were found where they shouldn't be. Were they taken by chance, or did they know their killer? How were they lured so far from safety? And can Jenna and her team find the killer before another life is lost? An absolutely nail-biting thriller that will keep you up all night. Death Rite Kerry Watts 2021-10-14 Their next breath will be their last Forty years ago, the name Rachel McMahon was synonymous with evil. After killing four men in the most brutal of ways, the world rejoiced as she was locked up. Now Rachel has done her time, repented for her crimes, and is ready to live a quiet life back in Scotland under a new name. But then the killings start again. As the bodies of fathers and sons appear on the streets of Perth, their deaths echoing those from Rachel's murder spree four decades ago, DCI Hazel Todd and her squad are called in to track down a murderer taunting them at every step. Could Rachel really have reformed — or is a copycat killer trying to finish what she started? And as the murders get closer to Hazel, it's a race against time to stop a psychopath with their own twisted agenda... Praise for Kerry Watts: 'WOW, WOW, WOW.
