The Woods, the Jungle, the Sea Samuel Bigglesworth 2016-10-30 Stanley Other leaves his comfortable office job to go out in search of life, and spend some time in the wilderness. But he doesn't find quite what he's looking for, and the events that happen to him bring up questions about the very essence of life itself. *The Woods, The Jungle, The Sea* is a character based novel about one man's love affair with nature. It is part comedy, part philosophy, and part thriller, and will make you look differently at your relationship with the environment that you live in. This ground breaking debut novella has been acclaimed by critics such as Samuel Bigglesworth's mother, his friend Steve and his neighbour's dog, and is bound to become one of this year's must reads.

De jungle op zee Ian Urbina 2019-10-08 In *De jungle op zee* geeft Ian Urbina een inkijk in de meest wetteloze plek op aarde: de oceaan. Criminelen en bedrijven kunnen daar bijna overal mee weggelopen, wat dus ook gebeurt. Maar dankzij *De jungle op zee*, winnaar van de Pulitzerprijs, kan niemand meer weggijken. De onverschrokken Urbina reisde jarenlang over de wereld om verslag te doen van onopgeloste moorden, piraterij, moderne slavernij aan boord van grote schepen en ernstige milieumisdrijven, zoals overbevissing en vervuiling. Hij laat overtuigend zien dat zulke misdaden straffeloos worden gepleegd. Er zijn niet alleen veel menselijke slachtoffers, maar ook de planeet is de dupe van de illegale visserij, het dumpen van olie en oorlogsafval als mosterdgas en zeemijnen. Deze pageturner geeft voor het eerst een schokkend beeld van de verborgen criminaliteit op onze zeeën en vertelt het verhaal van de inwoners van deze wereld, die ons allen verbindt.

Little World: Jungle Journey Ladybird Publishing Staff 2019-09-05 Curious minds will love to explore the dark recesses of the jungle with this interactive title from Little World. Discover all sorts of creatures high up in the canopy and on the jungle floor in this bright and colourful board book, which features a novelty to slide, push or pull on every spread.

Jungle Islands Maria Coffey 2000 The author recounts her experiences kayaking and snorkeling in the Solomon

Islands with her husband, describing the life of island peoples they met, the wildlife, and their visit to the Skull Island burial ground.

The Jungle Book Rudyard Kipling 2015-10-07 *The Jungle Book* (1894) is a collection of stories by English author Rudyard Kipling. The stories were first published in magazines in 1893–94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in Vermont. There is evidence that it was written for his daughter Josephine, who died in 1899 aged six, after a rare first edition of the book with a poignant handwritten note by the author to his young daughter was discovered at the National Trust's Wimpole Hall in Cambridgeshire in 2010. The tales in the book (and also those in *The Second Jungle Book* which followed in 1895, and which includes five further stories about Mowgli) are fables, using animals in an anthropomorphic manner to give moral lessons. The verses of *The Law of the Jungle*, for example, lay down rules for the safety of individuals, families and communities. Kipling put in them nearly everything he knew or "heard or dreamed about the Indian jungle." Other readers have interpreted the work as allegories of the politics and society of the time. The best-known of them are the three stories revolving around the adventures of an abandoned "man cub" Mowgli who is raised by wolves in the Indian jungle. The most famous of the other four stories are probably "Rikki-Tikki-Tavi", the story of a heroic mongoose, and "Toomai of the Elephants", the tale of a young elephant-handler. As with much of Kipling's work, each of the stories is preceded by a piece of verse, and succeeded by another. *The Jungle Book*, because of its moral tone, came to be used as a motivational book by the Cub Scouts, a junior element of the Scouting movement. This use of the book's universe was approved by Kipling after a direct petition of Robert Baden-Powell, founder of the Scouting movement, who had originally asked for the author's permission for the use of the Memory Game from *Kim* in his scheme to develop the morale and fitness of working-class youths in cities. Akela, the head wolf in *The Jungle Book*, has become a senior figure in the movement, the name being traditionally adopted by the leader of each Cub Scout pack.

The Sea and the Jungle Henry Major Tomlinson 1996 One rainy morning in November 1909, Henry Major Tomlinson bid farewell to his family and set off to find his berth as purser aboard the *Capella*, where he would spend many storm-driven days until landfall at Para on the Brazilian coast. But his travels had only begun, as the steamer continued its journey 2,000 miles up the Amazon.

Quiet Jungle, Angry Sea Denis Gavin 1989

De jungleboeken Rudyard Kipling 2015-11-09 Nieuwe, integrale vertaling van een eeuwige klassieker Met een voorwoord van Midas Dekkers Mowgli, het mensenkind dat in de jungle in India wordt opgevoed door wolven; zijn vijand Shere Khan, de tijger met de vlammeende ogen; Bagheera, de elegante zwarte panter – ze zijn allemaal onderdeel van ons collectieve bewustzijn sinds de beroemde animatiefilm van Disney. Maar weinig mensen zijn bekend met de boeken waarop de film gebaseerd is – en waarvan de film sterk afwijkt. De jungleboeken zijn een verzameling verhalen en gedichten met de jungle als thema, waarvan de verhalen over Mowgli het bekendst zijn. Kipling putte uit oeroude dierenfabels, het boeddhisme en zijn eigen ervaringen als kind in India om een universum te scheppen dat van grote invloed is geweest op de verbeelding van generaties lezers.

The Sea and the Jungle Henry Major Tomlinson 1938

Sea-wake and Jungle Trail Herbert Warington Smyth 1925

Jungle Out There William Stafford 2014-10-22 Forced to leave their jungle home, Lady Jane and her family move to a semi-detached house in the Black Country town of Dedley, where they try to fit in with modern living, only to find themselves questioning the way people live today and learning that life can still be an adventure wherever you are. This quirky comedy and affectionate spoof of Edgar Rice Burroughs is suitable for fans of fantasy with a sense of humour.

The Jungle David Drake 2011-06-28 The planet Venus, after the terraformers finished work and life on Earth ended, was a hell of aggressive mutations, the land and seas turgid with ragingly lethal lifeforms. Humankind lives in domed undersea Keeps--and only the mercenary naval troops called Free Companies venture to the surface to wage the Keeps' proxy wars. Ensign Brainard and his men, their flutterboat wrecked by a dreadnought's main-gun salvo, are about to face the worst enemy on the planet--The Jungle. Written in the universe created by Henry Kuttner in Clash By Night. "Drake's tribute to one of sf's seminal writers demonstrates the author's own mastery of sf military adventure."--Library Journal At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Jungle Dogs Graham Salisbury 1998 While worrying about the wild dogs that supposedly lurk in the jungle along his paper route, Hawaiian sixth grader Boy Regis also seeks to stop his older brother Damon from fighting all his battles for him.

The Sea and the Jungle Henry Major Tomlinson 2009-09-01 This book is a well-written narrative of the voyage

of the tramp steamer Capella from Swansea to Santa Maria de Belem do Grao Para in the Brazil's Amazon river.

Clive Cussler The Sea Wolves Jack Du Brul 2022-11-08 Detective Isaac Bell battles foreign spies, German U-boats, and an old nemesis to capture a secret technology that could alter the outcome of World War I in the latest adventure in the #1 New York Times bestselling series from Clive Cussler. As New England swelters in the summer of 1914, Detective Isaac Bell is asked to investigate the disappearance of a cache of rifles—only to discover something much more sinister. Whoever broke into this Winchester Factory wasn't looking to take weapons, they wanted to leave something in the shipping crates: a radio transmitter, set to summon a fleet of dreaded German U-boats. Someone is trying to keep American supplies from reaching British shores, and if Bell doesn't crack the conspiracy in time, the Atlantic Ocean will run red with blood. Bell must hunt down a new piece of technology that is allowing the Germans to rule the seas from New York to England. With the outcome of the war at stake and Franklin Roosevelt's orders on the line, Bell will risk everything to stop the U-Boats before they strike again.

The Sea and the Jungle (Classic Reprint) M. Tomlinson 2015-07-09 Excerpt from The Sea and the Jungle Though it is easier, and perhaps far better, not to begin at all, yet if a beginning is made it is there that most care is needed. Everything is inherent in the genesis. So I have to record the simple genesis of this affair as a winter morning after rain. There was more rain to come. The sky was waterlogged and the grey ceiling, overstrained, had sagged and dropped to the level of the chimneys. If one of them had pierced it! The danger was imminent. That day was but a thin solution of night. You know those November mornings with a low, corpse-white east where the sunrise should be, as though the day were still-born. Looking to the dayspring, there is what we have waited for, there the end of our hope, prone and shrouded. This morning of mine was such a morning. The world was very quiet, as though it were exhausted after tears. Beneath a broken gutter-spout the rain (all the night had I listened to its monody) had discovered a nest of pebbles in the path of my garden in a London suburb. It occurs to you at once that a London garden, especially in winter, should have no place in a narrative which tells of the sea and the jungle. But it has much to do with it. It is part of the heredity of this book. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
